

## Spell Bee Competition at Pratap International School

On April 28th, 2023, Pratap International School organized a Spell Bee competition for classes V to VIII. The competition was divided into two groups, with **classes V and VI** forming one group and **classes VII and VIII** forming another. The competition was conducted to promote spelling accuracy, enhance vocabulary, and improve students' overall language skills.

The competition was judged by a panel of experienced teachers, who evaluated the participants based on their spelling accuracy, pronunciation, and clarity. The competition was intense, and it was a close call, but eventually, the winners were announced.

Overall, the Spell Bee Competition was a great success, and it provided an excellent platform for students to showcase their spelling and vocabulary skills. The competition also helped students improve their language skills, and it was an enjoyable and informative event that promoted the importance of accurate spelling and good vocabulary.
