ACTIVITY: Ice-Breaking Activity

DATE: 2 April 2026

CONDUCTED BY: Class 5B

The students of Grade 5B kickstarted their session with a lively ice-breaking activity—an Origami Crab Craft. This engaging activity aimed to ease students into the new environment while encouraging creativity and interaction. With colourful sheets of paper in hand, the students carefully followed step-by-step instructions to fold their own adorable crab models. The classroom soon buzzed with excitement and curiosity as each child added their unique touch to the craft. The activity not only helped students relax and feel comfortable but also fostered a sense of joy and togetherness as they proudly shared their creations with one another.
