Scout Guide Camp Visit

Dates – 25th and 26th April 2026

Participants – Cubs, Bulbuls, Scouts and Guides

The Scouts, Guides, Cubs, and Bulbuls of our school participated in a two-day camp at the National Youth Complex, Gadpuri, Haryana, on 25th and 26th April 2026. The visit aimed to provide students with exposure to outdoor learning, teamwork, and adventure-based activities.

During the camp, students actively engaged in various adventure activities that helped build courage, confidence, and leadership skills. They also participated in different competitions, where they showcased their talents, creativity, and team spirit.

The camp provided a wonderful opportunity for students to connect with nature through several natural activities. These activities helped them understand the importance of the environment and encouraged them to appreciate the beauty of the outdoors.

The students thoroughly enjoyed the meals provided during the camp, which were nutritious and well-organized. One of the most memorable parts of the visit was the campfire session, where students participated enthusiastically by singing songs, performing dance, and sharing joyful moments with their peers.

Overall, the camp was a highly enriching and enjoyable experience for all participants. It helped in the holistic development of students by promoting discipline, cooperation, and a sense of responsibility.
