

WORLD BOOK DAY

Event: WORLD BOOK DAY

Organised by: ITL PUBLIC SCHOOL

Classes : I – VIII

“Imagination is the beginning of creation.” – George Bernard Shaw

World Book Day was celebrated with great enthusiasm at ITL Public School, bringing together students from Classes I to VIII in a vibrant celebration of stories, creativity, and expression. Our youngest learners (Classes I–II) stepped into the magical world of books through joyful and engaging activities. A lively puppet show brought stories to life, while the “Roll and Dice” activity turned reading into a playful classroom adventure. Creative poster-making allowed students to express their love for books through colours and imagination. Story sessions ignited curiosity, the book fair introduced them to exciting new reads, and a peaceful library reading time helped them build a deeper connection with books.

For Classes III–V, “World Book Day” was celebrated with equal enthusiasm, fostering creativity and language skills. Class III students participated in “Story Seeds,” designing colourful story gardens. Class IV explored “From Words to Frames,” transforming narratives into comic strips, while Class V engaged in “Book Blurb Builder,” crafting and confidently presenting engaging book blurbs.

Students of Classes VI–VIII showcased their literary flair through thoughtfully curated activities. Class VI explored “Micro Snapshot, Macro Sensation,” creating powerful microfiction on themes like mystery and suspense. Class VII delved into “Narrative Craft in the Digital Age,” presenting original stories through PowerPoint, audio storytelling, and visual essays. Class VIII students expressed creativity through “Beyond Words” – 3-Minute Script Writing, highlighting communication through tone, expressions, and actions. The celebration witnessed enthusiastic participation across all classes, providing a meaningful platform to nurture creativity, enhance communication skills, and instil a lifelong love for reading.
