Glimpse of the Event

- Academic Courses after Class XII for all Stream
- Professional Course
- Vocational Courses
- List of Colleges and Universities
- Career Options

A career counselling workshop was successfully conducted by Mr. Aashish Sood, an alumnus of IIM Lucknow and Delhi Technological University (DTU). The session aimed to guide students in making informed career choices and to help them understand the evolving professional landscape.

The workshop began with an engaging introduction, during which Mr. Sood shared insights from his academic journey and professional experiences. He emphasized the importance of self-awareness, skill development, and adaptability in today’s competitive world. His relatable examples enabled students to connect theoretical knowledge with real-world applications. He also discussed important entrance exams such as CUET, CLAT, and career options like BIMS, providing clarity on diverse academic pathways.

During the session, Mr. Sood elaborated on various career options across different industries, highlighting both conventional and emerging fields. He offered valuable guidance on choosing the right career based on individual interests, strengths, and current market demand. Special emphasis was placed on higher education opportunities, competitive examinations, and skill-based career paths.
