A Glimpse of the Event

Objectives:

- **Objectives:**
 - To instill a sense of responsibility in students towards achieving the Sustainable Development Goals (SDGs) by promoting awareness about environmental conservation and sustainable practices.
 - To stimulate critical thinking by encouraging students to analyze global challenges and relate them to local actions for a sustainable future.

"Renewable energy could help reduce the damage we are doing to the earth."
– David Suzuki

The Eco Club at MBS International School, Dwarka, New Delhi, organized a quiz on “**SDGs 2030 – Global Goals, Local Actions**” for Classes XI and XII on April 22, 2026. The event aimed to create awareness about global challenges like climate change, clean energy, and sustainable living.

The quiz was conducted in three rounds. The first round was a **qualifier (elimination round)** in pen-and-paper format, where teams competed to secure a place in the next stage. Based on their performance, **five teams** advanced to the subsequent rounds. Round two was a **Rapid Fire round**, testing participants’ quick thinking and knowledge, followed by the **Table Tap round**, where teams showcased alertness and accuracy.

Students actively participated, demonstrating strong knowledge and linking global goals with everyday actions. The quiz promoted analytical thinking and highlighted the role of individuals in building a sustainable future. The event concluded with a strong message that small local actions can collectively lead to achieving global sustainability goals.
