2 Marks Questions

1. Define Federalism.
2. Mention one feature of Federalism.
3. Give one example related to Federalism.
4. State one importance of Federalism.
5. Name one issue related to Federalism.

4 Marks Questions

1. Explain four important features of Federalism.
2. Describe structure and functions related to Federalism.
3. Explain four challenges related to Federalism.
4. Discuss importance of Federalism with examples.

6 Marks Questions

1. Explain Federalism in detail with examples and case studies.
2. Analyse challenges and solutions related to Federalism.
3. Evaluate the role of Federalism in development and governance.

Gender, Religion and Caste

2 Marks Questions

1. Define Gender, Religion and Caste.
2. Mention one feature of Gender, Religion and Caste.
3. Give one example related to Gender, Religion and Caste.
4. State one importance of Gender, Religion and Caste.
5. Name one issue related to Gender, Religion and Caste.

4 Marks Questions

1. Explain four important features of Gender, Religion and Caste.
2. Describe structure and functions related to Gender, Religion and Caste.

3. Explain four challenges related to Gender, Religion and Caste.
4. Discuss importance of Gender, Religion and Caste with examples.

6 Marks Questions

1. Explain Gender, Religion and Caste in detail with examples and case studies.
2. Analyse challenges and solutions related to Gender, Religion and Caste.
3. Evaluate the role of Gender, Religion and Caste in development and governance.

Political Parties

2 Marks Questions

1. Define Political Parties.
2. Mention one feature of Political Parties.
3. Give one example related to Political Parties.
4. State one importance of Political Parties.
5. Name one issue related to Political Parties.

4 Marks Questions

1. Explain four important features of Political Parties.
2. Describe structure and functions related to Political Parties.
3. Explain four challenges related to Political Parties.
4. Discuss importance of Political Parties with examples.

6 Marks Questions

1. Explain Political Parties in detail with examples and case studies.
2. Analyse challenges and solutions related to Political Parties.
3. Evaluate the role of Political Parties in development and governance.

Outcomes of Democracy

2 Marks Questions

1. Define Outcomes of Democracy.
2. Mention one feature of Outcomes of Democracy.

3. Give one example related to Outcomes of Democracy.
4. State one importance of Outcomes of Democracy.
5. Name one issue related to Outcomes of Democracy.

4 Marks Questions

1. Explain four important features of Outcomes of Democracy.
2. Describe structure and functions related to Outcomes of Democracy.
3. Explain four challenges related to Outcomes of Democracy.
4. Discuss importance of Outcomes of Democracy with examples.

6 Marks Questions

1. Explain Outcomes of Democracy in detail with examples and case studies.
2. Analyse challenges and solutions related to Outcomes of Democracy.
3. Evaluate the role of Outcomes of Democracy in development and governance.

Resources and Development

2 Marks Questions

1. Define Resources and Development.
2. Mention one feature of Resources and Development.
3. Give one example related to Resources and Development.
4. State one importance of Resources and Development.
5. Name one issue related to Resources and Development.

4 Marks Questions

1. Explain four important features of Resources and Development.
2. Describe structure and functions related to Resources and Development.
3. Explain four challenges related to Resources and Development.
4. Discuss importance of Resources and Development with examples.

6 Marks Questions

1. Explain Resources and Development in detail with examples and case studies.
2. Analyse challenges and solutions related to Resources and Development.

3. Evaluate the role of Resources and Development in development and governance.

Forest and Wildlife Resources

2 Marks Questions

1. Define Forest and Wildlife Resources.
2. Mention one feature of Forest and Wildlife Resources.
3. Give one example related to Forest and Wildlife Resources.
4. State one importance of Forest and Wildlife Resources.
5. Name one issue related to Forest and Wildlife Resources.

4 Marks Questions

1. Explain four important features of Forest and Wildlife Resources.
2. Describe structure and functions related to Forest and Wildlife Resources.
3. Explain four challenges related to Forest and Wildlife Resources.
4. Discuss importance of Forest and Wildlife Resources with examples.

6 Marks Questions

1. Explain Forest and Wildlife Resources in detail with examples and case studies.
2. Analyse challenges and solutions related to Forest and Wildlife Resources.
3. Evaluate the role of Forest and Wildlife Resources in development and governance.

Water Resources

2 Marks Questions

1. Define Water Resources.
2. Mention one feature of Water Resources.
3. Give one example related to Water Resources.
4. State one importance of Water Resources.
5. Name one issue related to Water Resources.

4 Marks Questions

1. Explain four important features of Water Resources.

2. Describe structure and functions related to Water Resources.
3. Explain four challenges related to Water Resources.
4. Discuss importance of Water Resources with examples.

6 Marks Questions

1. Explain Water Resources in detail with examples and case studies.
2. Analyse challenges and solutions related to Water Resources.
3. Evaluate the role of Water Resources in development and governance.

Agriculture

2 Marks Questions

1. Define Agriculture.
2. Mention one feature of Agriculture.
3. Give one example related to Agriculture.
4. State one importance of Agriculture.
5. Name one issue related to Agriculture.

4 Marks Questions

1. Explain four important features of Agriculture.
2. Describe structure and functions related to Agriculture.
3. Explain four challenges related to Agriculture.
4. Discuss importance of Agriculture with examples.

6 Marks Questions

1. Explain Agriculture in detail with examples and case studies.
2. Analyse challenges and solutions related to Agriculture.
3. Evaluate the role of Agriculture in development and governance.

Minerals and Energy Resources

2 Marks Questions

1. Define Minerals and Energy Resources.

2. Mention one feature of Minerals and Energy Resources.
3. Give one example related to Minerals and Energy Resources.
4. State one importance of Minerals and Energy Resources.
5. Name one issue related to Minerals and Energy Resources.

4 Marks Questions

1. Explain four important features of Minerals and Energy Resources.
2. Describe structure and functions related to Minerals and Energy Resources.
3. Explain four challenges related to Minerals and Energy Resources.
4. Discuss importance of Minerals and Energy Resources with examples.

6 Marks Questions

1. Explain Minerals and Energy Resources in detail with examples and case studies.
2. Analyse challenges and solutions related to Minerals and Energy Resources.
3. Evaluate the role of Minerals and Energy Resources in development and governance.

Manufacturing Industries

2 Marks Questions

1. Define Manufacturing Industries.
2. Mention one feature of Manufacturing Industries.
3. Give one example related to Manufacturing Industries.
4. State one importance of Manufacturing Industries.
5. Name one issue related to Manufacturing Industries.

4 Marks Questions

1. Explain four important features of Manufacturing Industries.
2. Describe structure and functions related to Manufacturing Industries.
3. Explain four challenges related to Manufacturing Industries.
4. Discuss importance of Manufacturing Industries with examples.

6 Marks Questions

1. Explain Manufacturing Industries in detail with examples and case studies.

2. Analyse challenges and solutions related to Manufacturing Industries.
3. Evaluate the role of Manufacturing Industries in development and governance.

Development

2 Marks Questions

1. Define Development.
2. Mention one feature of Development.
3. Give one example related to Development.
4. State one importance of Development.
5. Name one issue related to Development.

4 Marks Questions

1. Explain four important features of Development.
2. Describe structure and functions related to Development.
3. Explain four challenges related to Development.
4. Discuss importance of Development with examples.

6 Marks Questions

1. Explain Development in detail with examples and case studies.
2. Analyse challenges and solutions related to Development.
3. Evaluate the role of Development in development and governance.

Sectors of the Indian Economy

2 Marks Questions

1. Define Sectors of the Indian Economy.
2. Mention one feature of Sectors of the Indian Economy.
3. Give one example related to Sectors of the Indian Economy.
4. State one importance of Sectors of the Indian Economy.
5. Name one issue related to Sectors of the Indian Economy.

4 Marks Questions

1. Explain four important features of Sectors of the Indian Economy.
2. Describe structure and functions related to Sectors of the Indian Economy.
3. Explain four challenges related to Sectors of the Indian Economy.
4. Discuss importance of Sectors of the Indian Economy with examples.

6 Marks Questions

1. Explain Sectors of the Indian Economy in detail with examples and case studies.
2. Analyse challenges and solutions related to Sectors of the Indian Economy.
3. Evaluate the role of Sectors of the Indian Economy in development and governance.

Money and Credit

2 Marks Questions

1. Define Money and Credit.
2. Mention one feature of Money and Credit.
3. Give one example related to Money and Credit.
4. State one importance of Money and Credit.
5. Name one issue related to Money and Credit.

4 Marks Questions

1. Explain four important features of Money and Credit.
2. Describe structure and functions related to Money and Credit.
3. Explain four challenges related to Money and Credit.
4. Discuss importance of Money and Credit with examples.

6 Marks Questions

1. Explain Money and Credit in detail with examples and case studies.
2. Analyse challenges and solutions related to Money and Credit.
3. Evaluate the role of Money and Credit in development and governance.

Globalisation and the Indian Economy

2 Marks Questions

1. Define Globalisation and the Indian Economy.
2. Mention one feature of Globalisation and the Indian Economy.
3. Give one example related to Globalisation and the Indian Economy.
4. State one importance of Globalisation and the Indian Economy.
5. Name one issue related to Globalisation and the Indian Economy.

4 Marks Questions

1. Explain four important features of Globalisation and the Indian Economy.
2. Describe structure and functions related to Globalisation and the Indian Economy.
3. Explain four challenges related to Globalisation and the Indian Economy.
4. Discuss importance of Globalisation and the Indian Economy with examples.

6 Marks Questions

1. Explain Globalisation and the Indian Economy in detail with examples and case studies.
2. Analyse challenges and solutions related to Globalisation and the Indian Economy.
3. Evaluate the role of Globalisation and the Indian Economy in development and governance.
