# SUMMER VACATION

**Dear Children,**

It is blazing hot in summer and we begin to look forward for our summer vacations when we can relax and spend quality time with our family and friends or in outings.

Try to develop new skills that will enhance your knowledge and will be lessons for a lifetime. It will be great if you keep some semblance of academics alive in the fun.

**Guidelines for students:**

1. Ensure timely submission of the given assignment after the school reopens. Remember, a well-presented holiday homework fetches your accolades.
2. Revise all the topics which have been taught by your subject teachers in the new session.
3. Books are companions of lifetime. Read good books, novels, short stories, travelogues etc. During your summer holidays. Your school library is a reservoir of variety of books.
4. Take up an activity at home that is joyful and excites you like sketching, painting, learning any musical instrument or gardening etc.

**Guidelines for the parents:**

1. Communication skills play a pivotal role in grooming the holistic personality of the children. Please converse with your children preferably in English to acquaint them with the language skills.
2. Please spend quality time with your children engaging them in activities based on enhancing their powers of observation, imagination and creativity.
3. Please sensitize your child about the rich culture and heritage by watching different informative channels, videos or reading books.

**Stay Healthy!**

**Wishing you all a very enjoyable and fun-packed Summer Holidays!**

**Manisha Kaushal**  
Principal
