MATHEMATICS

Take out its printout and solve and enjoy the puzzles.

SCIENCE

Compare the Diwali festival celebrated in Delhi and the Minicoy Festival celebrated in Lakshadweep, including points like:

- Food eaten during the festival
- Clothes worn during the festival
- Gods worshipped during the festival
- Season in which it is celebrated
- Impact on the environment

Do the work on a WordPad and take a printout on an A4-size sheet.

SOCIAL SCIENCE

Make a colorful poster on “Eco-Friendly Celebration of Festivals in Delhi and Lakshadweep Islands” on an A-3 size sheet. Draw and color pictures like diyas, flowers, trees, clean beaches, sea animals, people cleaning the surroundings, and dustbins. Write 4–5 simple sentences about celebrating festivals without using plastic, wasting water, or causing pollution. Use bright colors, a beautiful border, and decorate your poster neatly and creatively.
