HOLIDAYS HOMWORK

2026-27

GRADE: PREP

NAME- _____

CLASS _____

The sun is bright, the sky is blue,

There's so much fun for me and you!

Splashing waves and sandy toes,

That's just how a summer goes.

With ice cream cones and starry nights,

And days filled up with pure delights,

No coats, no boots, no chilly crime—

Oh, summer is the perfect time!

Dear Parent

Summer is here in all its glory. It is the perfect time of the year to explore and learn new things. Let every moment of this vacation be a time to connect and enjoy beautiful moments with your child. To make the vacation time more fun and fruitful, some activities have been creatively designed for our little ones.

The multi-sensory activities will stimulate their learning and memory; refine their motor skills, cognitive skills, and language. Through these engaging activities, children will get the opportunity to express themselves, think creatively, and develop problem-solving skills. It's a chance for them to discover new interests, make friends, and create wonderful memories that will last a lifetime. Let's make this summer vacation a fun-filled and enriching experience for our young learners!

Below are few guidelines and Suggestions:

Have meals together with your children. Teach them to be grateful to God and ask them not to waste their food.

Promote healthy eating habits with a balanced diet and involve kids in simple cooking or baking activities.

Keep a check on their screen time and engage them in activities that combine play and learning.

Acknowledge your child's feelings, show them you understand and reassure that you are there to help them whenever they required.

Positive reinforcement is the most powerful way of creating a strong emotional bond with your child.

Help your child become a caring human being by developing habits such as respecting elders, spending time with grandparents, helping in arranging dining table and helping in daily chores.

Set aside a daily reading time. Choose colorful, engaging books appropriate for their age to cultivate a love for reading.

Ensure children spend time outdoors playing safely. Activities like nature walks, water play, or visits to parks are excellent.

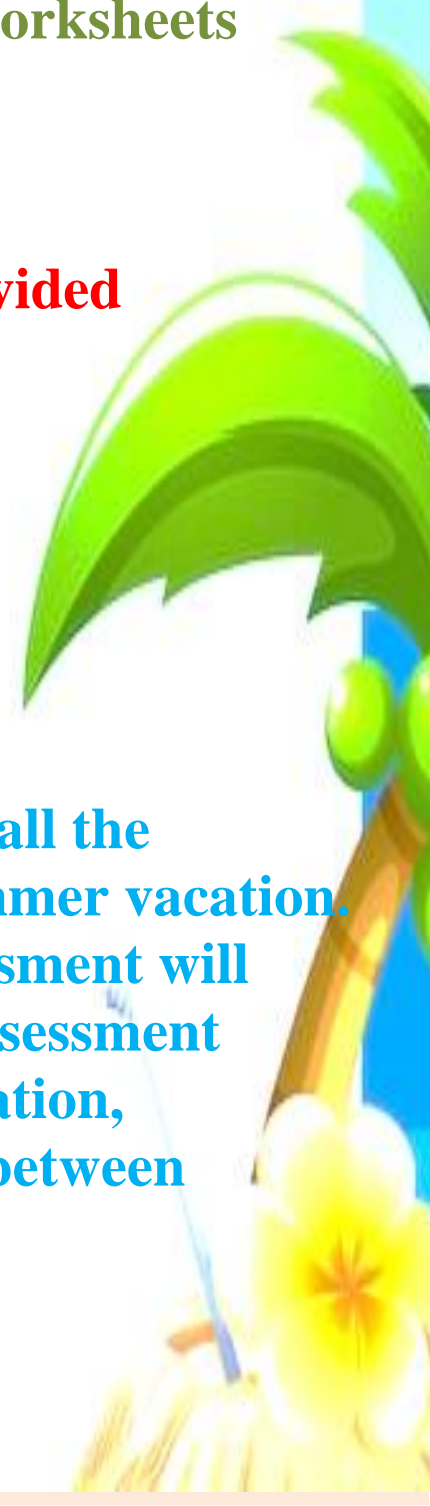

General instructions to be followed
while doing Holidays' Homework.

Take the coloured printouts of the worksheets attached and complete them neatly.

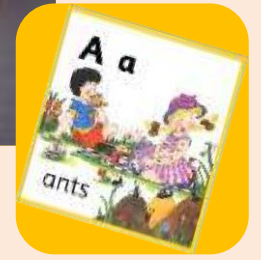

Please use the 3-in-1 notebook provided to you in the book set to complete the assigned practice work neatly and systematically.

Kindly ensure that your ward revises all the topics covered till date during the summer vacation. Continuous and Comprehensive assessment will commence from July onwards. The assessment will include Reading, Recitation, Dictation, Phonics, Mental Math. (After/before/between numbers.)

LITERACY

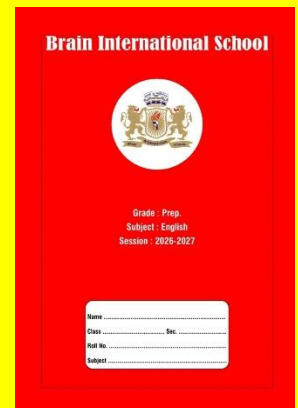

ENGLISH

❖ **DO PRACTICE OF Group 1 LETTERS**
s, a, t, i, p, n

CELEBRATIONS

WORLD ENVIRONMENT DAY

Plant a sapling and watch it grow...
Water it and nourish it everyday and
click a picture and bring it after
summer vacations. (coloured printout)

INTERNATIONAL YOGA DAY

A child's healthy development begins
with caring for their body, mind, and
emotions. Building these habits early
helps children grow into happy,
strong, and balanced individuals. Let
us inspire our little ones to make yoga
a fun daily practice and take a joyful
step towards a healthy life.

FATHER'S DAY

Make a beautiful photo frame using dry twigs, card board
and decorate it beautifully. Paste a photo of you and your
father. Show your love and affection towards him while
giving it on this 'Father's Day' (21st June, 2026.)

Happy
Fathers
Day
