Dear Parents,

Greetings!

At Delhi Public School Knowledge Park -V, we continuously strive to cater to the diverse learning needs of every student. To strengthen conceptual clarity and enhance application-based understanding across all subjects, consistent revision and structured practice are essential.

In line with this objective, the school has developed carefully curated and focused study material in the form of Assignment Booklets. These booklets include a variety of question types such as MCQs, Competency-Based Questions (CBQs), short answer, and long answer questions. They are designed to help students consolidate their learning and prepare effectively for assessments.

This initiative, introduced in the academic session 2023-24, was highly appreciated by parents. Based on valuable feedback received, further enhancements have been incorporated to make the material more comprehensive and student-friendly. The Assignment Booklets for the session 2026-27 has been provided to students accordingly.

The cost of each Assignment Booklet for Class X is ₹195/-, which will be included in the upcoming fee bill.

In case of any queries or concerns, you may kindly contact the HRT of your ward.
