Mandatory Practical Learning Sessions in Introduction to Financial Markets (IFM)

Dear Parents,

Greetings!

In today's world, financial literacy is a vital skill and **Introduction to Financial Markets (IFM)** equips students with practical knowledge to understand the financial system. Practical sessions strengthen this learning by offering hands-on experience and connecting classroom theory with real-world application.

To ensure our students gain this valuable exposure, the school is organizing Practical Learning Sessions in collaboration with NSE (National Stock Exchange) Academy for the academic session 2026-27. These sessions are mandatory for students of Class X to obtain the Skill Certificate from CBSE in association with the National Skill Development Corporation (NSDC).

- Duration of Training: 60 hours
- Applicable Class: Class X (Session 2026-27)
- Fee: ₹700/- (to be added to the next fee bill of your ward)
