CIRCULAR

Class IX - Academic Curriculum Updates

Dear Parents,

Greetings!

The Central Board of Secondary Education (CBSE) has announced a major overhaul of the Class 9 curriculum for the **2026-27 academic session**, aligning with the National Curriculum Framework (NCF-2023) and NEP 2020. This change includes a complete restructuring of the syllabus, new textbook requirements, and significant changes in assessment methodologies, including a two-level Mathematics and Science system. At present, these updates are being disseminated through a series of webinars conducted by CBSE in collaboration with NCERT.

We understand that such changes may raise questions. The school is closely following these updates to ensure accurate understanding. To address this concern, we will conduct an online session for parents and students once detailed guidelines are released.

In the meantime, you may explore: <https://www.youtube.com/@NCERTOFFICIAL> for preliminary information.

Thank you for your continued support.

Warm regards,

Principal
