Postponement of Investiture Ceremony

Dear Parents,

Greeting!

We wish to inform you that the Investiture Ceremony, scheduled to be held in the month of May, has been postponed due to the prevailing heat conditions. The current climate has significantly impacted the continuity and quality of practice sessions. This decision has been taken keeping in mind the health, safety, and well-being of our students.

The Investiture Ceremony is a significant event for our students, and we wish to conduct it in a safe and comfortable environment. The ceremony will be rescheduled, and the new date will be communicated once conditions are more favorable.

We appreciate your understanding and continued support.

Warm regards,

Principal
