### CIRCULAR

Dear Parents,

Greetings!

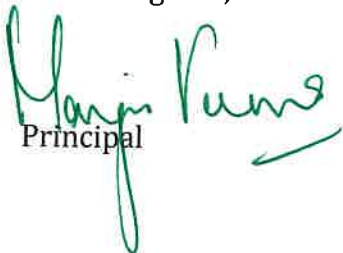

At DPS, Knowledge Park V, we believe that meaningful engagement and thoughtful assessment are key to effective learning. In line with this approach, the Assignment Booklets have always been an integral part of our students' regular learning process and we are pleased to continue the same for the current academic session.

These booklets are thoughtfully designed to enhance conceptual understanding and promote structured learning. They include competency-based, application-oriented and integrated tasks to strengthen analytical and problem-solving skills. With a student-friendly layout, they encourage independent learning while reinforcing classroom concepts.

The cost of the Assignment Booklet for classes VI to VIII is Rs 150, which will be added to the next fee bill.

For any concerns or queries, please feel free to contact the HRT of your ward.

Warm Regards,

  
Principal
