Classes I & II

Dear Parents,

Greetings!

At DPS, we believe that every child learns best when engaged meaningfully and assessed thoughtfully. With this vision, the in-house Assignment Booklets have been thoughtfully curated by our dedicated teachers for Grades I and II to make learning student-friendly, purposeful and enriching.

These booklets include case-study-based questions to encourage real-world thinking, Mental Maths tasks to strengthen logical and numerical skills and competency-based rubrics for clear and focused assessment. Designed with a visually rich layout, they maintain curiosity and engagement, with a strong emphasis on listening, reading and writing skills in language.

The booklets offer experiential learning through hands-on activities, observation-based tasks and relatable scenarios. These booklets cater to diverse learning styles with student-centric content and integrate values, life skills and age-appropriate reflections.

The cost of the Assignment Booklet for Classes I and II is Rs 215, which will be added to the next fee bill.

For any concerns or queries, please feel free to contact the HRT of your ward.

Warm regards,

Principal
