### CIRCULAR

Dear Parents,

Greetings from the school.

In accordance with the latest guidelines issued by the Central Board of Secondary Education (CBSE) and the National Curriculum Framework for School Education (NCFSE 2023), we wish to inform you about an important update regarding the language curriculum for Class VI.

CBSE has mandated the implementation of the three-language formula (R1, R2, R3) from Class VI onwards, with a focus on promoting proficiency in two native Indian languages.

In line with this directive, our school will be introducing Sanskrit as the Third Language (R3) for all students of Class VI.

We also wish to reassure you that students who have opted for foreign languages such as French and German will continue with their chosen language. The introduction of Sanskrit is aimed at fulfilling CBSE requirements while ensuring that students continue to receive the benefits of learning an international language.

This approach will enable:

- Compliance with CBSE norms
- Promotion of Indian linguistic and cultural heritage
- Continued exposure to global languages

The detailed curriculum plan, textbooks, and assessment pattern for both Sanskrit (R3) and the foreign languages will be shared with you shortly.

To address any queries or concerns an **online meeting has been scheduled on April 18, 2026 from 10.30am -11.30 am**. The joining details will be shared separately.

We look forward to your cooperation in ensuring the smooth and effective implementation of this initiative.

Warm regards,

  
Principal
