Parents Orientation Day

(Date - 11th April 2026)

Parent Orientation Programme

The Parent Orientation Programme marked the beginning of a meaningful partnership between the school and parents. More than just an introductory session, the programme reflected the institution's vision of nurturing confident, responsible, and future-ready learners.

Through open conversations and shared aspirations, parents were introduced to the school's values, learning approach, and commitment towards holistic development.

The event beautifully emphasized that education is a collaborative journey built on trust, understanding, and strong values. With parents and educators coming together with a common purpose, the orientation laid a strong foundation for every child's academic and personal growth. It was indeed the first step towards creating an inspiring and supportive learning environment for the leaders of tomorrow.
