REPUBLIC DAY CELEBRATION

“The Constitution is not a mere lawyers’ document; it is a vehicle of Life.”— Dr. B. R. Ambedkar

St. Xavier’s High School, Sector 49, celebrated the 77th Republic Day of India with immense pride, patriotic fervour, and deep reverence for the values enshrined in our Constitution. The campus resonated with the spirit of unity, integrity, and national pride as students, teachers, and staff came together to honour this historic occasion.

The celebration commenced with the ceremonial unfurling of the National Flag by the Director Principal, Ms. Ritu Mehta, followed by the National Anthem, which filled every heart with devotion and respect for the nation. In her inspiring address, Ma’am emphasized the significance of constitutional rights, Civic values, responsible citizenship, and the role of education in nation-building.

The programme was further enriched by a series of vibrant cultural performances including patriotic songs, Hindi poetry, classical dance, thought-provoking monologues, and a powerful skit, beautifully presented by students across different grades. Each performance reflected the ideals of courage, sacrifice, diversity, and unity that define India.

The event was graced by the able leadership and guidance of HM Senior School – Ms. Malabika Chattopadhyay, HM Middle School – Ms. Geeta Kanwar, and HM Primary School- Ms. Jayshree and HM Pre-Primary – Ms. Aparna, whose unwavering support and commitment ensured the smooth and meaningful execution of the celebration.

The celebration concluded with a heartfelt Vote of Thanks, acknowledging the collective efforts of the entire Xavier’s fraternity—teachers, students, staff, and the management—who worked together to make the occasion memorable and impactful.

“Freedom is not given, it is taken.”— Netaji Subhash Chandra Bose

St. Xavier’s High School continues to nurture responsible global citizens who uphold democratic values and contribute positively to the nation’s progress.

SARISKA TRIP

The Grade IV students went on an enriching and exciting trip to Sariska to explore history, nature and wildlife. They first visited Moosi Rani Ki Maharani, where they admired the grand architecture and learned about Rajasthan's rich heritage.

They then stayed at Justa Alwar Bagh Resort, surrounded by greenery, where they enjoyed group games and team-building activities that promoted cooperation and leadership. In the evening, they experienced stargazing and learned fascinating facts about the solar system.

The highlight of the trip was the jungle safari at Sariska Tiger Reserve, where students observed diverse wildlife and understood the importance of conservation. The trip was a perfect blend of learning and fun, leaving students happy, inspired, and full of memorable experiences.

STEAM EXPO

The best way to predict the future is to invent it." — Alan Kay

We are incredibly proud to share the highlights of our recent STEAM Exhibition, where our young learners of Grade IV showcased how curiosity, engineering, and creativity collide. It wasn't just about the final projects; it was about the problem-solving, teamwork, and "eureka" moments that happened along the way.

The exhibition focused on key areas such as Robotics, Design and Logical Thinking, Artificial Intelligence, and Backyard Science. Students confidently presented their work, explaining the concepts and practical applications involved in their models and activities.

Their clarity of thought and strong communication skills reflected thorough preparation and deep understanding. Parents also attended the exhibition and appreciated the efforts of the students. They praised the children for their confidence, creativity, and innovative ideas. Teachers and parents alike admired the teamwork, problem-solving abilities, and enthusiasm displayed by the young learners.

The exhibition proved to be a grand success and served as an excellent platform for nurturing innovation and 21st-century skills among the students of Grade IV.
