Embracing Wisdom, Igniting Futures: GRADE 2

Dear Parents,
Greetings!

The past few months have been a dynamic and enriching phase of learning for our students, marked by a thoughtful balance of academics, skill-building, and joyful engagement. Through well-structured lessons, hands-on activities, and experiential learning opportunities, students have strengthened core concepts while developing essential skills such as critical thinking, creativity, communication, and collaboration.

Competitions, assemblies, and classroom activities provided platforms for children to express themselves with confidence, explore their talents, and learn the values of participation and perseverance. Celebrations and special events further enriched the learning journey by fostering cultural awareness, social bonding, and a sense of belonging. I sincerely appreciate the commitment of our teachers and the support of parents in nurturing a positive and inspiring learning environment where every child continues to grow with joy, curiosity, and confidence.

Warm regards,
Director-Principal

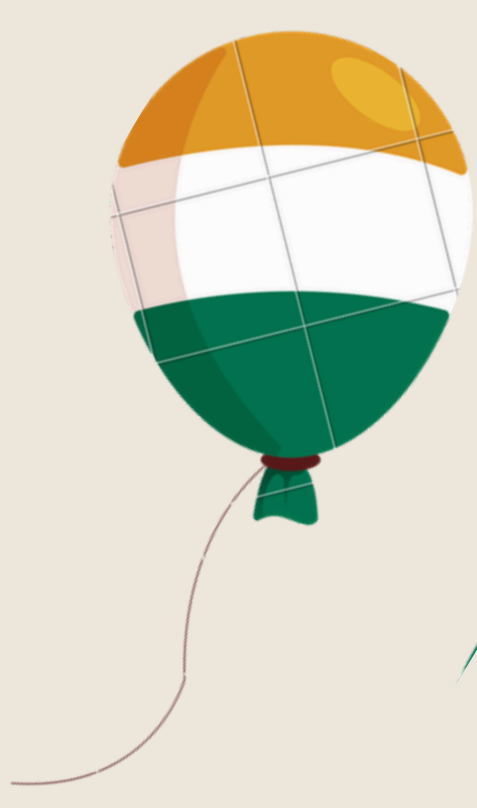

Happy Republic Day

Grade 2 students of St. Xavier's High School celebrated Republic Day with great joy and enthusiasm. The children made beautiful drawings related to Republic Day, such as the Indian flag, national symbols, and scenes showing love for the country. They used bright colours and showed their creativity through their artwork. Through this activity, the students also learnt about the Indian Constitution and understood its importance in shaping our nation. The celebration helped them develop feelings of patriotism and respect for the country. The day was joyful, meaningful, and full of excitement for everyone.

Pet Parade

Pet Parade – A Day Full of Paws, Smiles & Learning!

Our school was filled with excitement and happiness as we celebrated a joyful Pet Parade, where students from Nascent to Grade 2 proudly came on stage with their beloved pets—fish, birds, dogs, cats, and more! With bright smiles and lots of confidence, the children spoke about their pets, sharing their names, habits, and what makes them so special. The little learners were also introduced to fun and interesting facts about birds, fish, dogs, and cats, making the experience both enjoyable and educational.

Pets accompanied by parents added to the thrill, and the campus buzzed with excitement as children got a chance to see different breeds of dogs and animals up close.

The event concluded with a fun quiz session, where children enthusiastically participated and showcased what they had learned. A big thank you to our supportive parents and our enthusiastic students for making the Pet Parade a memorable and joyful experience for everyone!

Be kind, be fair, show pets you care!

ADVENTURE CAMP

Grade II students of St. Xavier's High School had an exciting and fun-filled day at the adventure camp. They happily participated in activities like hopscotch, sport climbing, commando net, zip line, and dragon move. Each activity filled them with thrill and joy while helping them build confidence and teamwork skills. The students encouraged one another and showed great enthusiasm throughout the day. They also learned the importance of courage, patience, and trying new things. Teachers guided them at every step, making the camp safe and enjoyable. It was a memorable adventure that brought smiles, laughter, and beautiful memories for everyone.
