

MANTAVYA YOUTH CONCLAVE 2026

EVENT: Mantavya Youth Conclave 2026

DATE: 11-12 April 2026

CONDUCTED BY: University of Delhi

Class XII students recently participated in the Mantavya Youth Conclave 2026 held at the Faculty of Law, University of Delhi. The two-day event provided a dynamic platform for students to engage in meaningful discussions, exchange ideas, and develop a deeper understanding of contemporary national and global issues.

Throughout the conclave, students actively participated in committee sessions, debates, and deliberations that challenged them to think critically, communicate effectively, and collaborate with peers from diverse backgrounds. The event offered valuable exposure to parliamentary procedures, diplomacy, leadership, and decision-making, helping students enhance their analytical and public-speaking skills.

The school takes immense pride in the outstanding achievements of its students. Bringing laurels to the institution, **Raavi Sehrawat**, representing **Finland in the United Nations Commission on the Status of Women (UNCSW)**, was awarded **Verbal Mention 2**, while **Toshaani Gupta**, representing **Shashi Tharoor in the Lok Sabha Committee**, received **Honourable Mention 5** for her commendable performance.

These accolades reflect the hard work, perseverance, and excellence demonstrated by our students. We congratulate all participants for representing the school with distinction and making the Mantavya Youth Conclave 2026 a memorable and successful experience.
