

HONOURING CREATIVITY ON WORLD ART DAY

ACTIVITY: Class Assembly

DATE: 15 April 2026

CONDUCTED BY: Class VII-A

Class 7A conducted a vibrant and engaging morning assembly on the theme of **World Art Day**, highlighting the significance of art as a universal language of creativity, imagination, and self-expression. Through thought-provoking presentations, informative speeches, and creative performances, the students showcased how art enriches our lives and connects people across cultures and generations.

The assembly emphasized the role of art in fostering innovation, emotional expression, and cultural appreciation. Students shared inspiring facts about renowned artists, the importance of preserving artistic heritage, and the impact of art in shaping society. Their confident presentations and enthusiastic participation reflected a deep understanding of the theme.

The assembly served as a wonderful reminder that art is not only a medium of expression but also a powerful tool for communication, creativity, and personal growth. The efforts of Class 7A were appreciated by all, making the celebration both meaningful and memorable.
