

PROMOTING INCLUSION THROUGH AWARENESS

EVENT: Understanding Autism: An Awareness Session

DATE: 16 April 2026

An informative awareness session on **Understanding Autism** was conducted by our Special Educator, **Ms. Rupal Pandey**, with the objective of fostering greater awareness, empathy, and acceptance towards individuals on the autism spectrum.

The session provided valuable insights into Autism Spectrum Disorder (ASD), helping participants understand its characteristics, challenges, and strengths. Through engaging discussions and real-life examples, Ms. Pandey highlighted the importance of recognising individual differences and creating an inclusive environment where every child feels valued, supported, and respected.

The session also emphasized the role of sensitivity, patience, and effective communication in promoting inclusion and ensuring equal opportunities for all learners. Participants gained a deeper appreciation of neurodiversity and the significance of embracing differences within the school community.

The awareness programme was both enlightening and impactful, reinforcing the school's commitment to nurturing a culture of understanding, acceptance, and inclusivity.
