

## WORLD HERITAGE DAY

**EVENT: Class Assembly**

**DATE: 17 April 2026**

**CONDUCTED BY: Class VIII-A**

Class 8A conducted a thoughtful and informative morning assembly on the occasion of **World Heritage Day**, highlighting the significance of preserving our cultural and historical heritage. Through engaging presentations and speeches, the students emphasized the importance of safeguarding the rich legacy passed down through generations.

The assembly featured information about various heritage sites and their cultural, historical, and architectural value. Students spoke about the need to protect these treasures from neglect and damage, ensuring that future generations can continue to learn from and appreciate them.

The programme encouraged everyone to take pride in their heritage and understand their role in conserving historical monuments, traditions, and cultural practices. The students conveyed the message that preserving heritage is essential for maintaining a connection with our roots and identity.

All participants displayed remarkable confidence and enthusiasm, making the assembly both educational and inspiring. Their collective efforts resulted in a meaningful presentation that successfully promoted awareness about the importance of heritage conservation.
