

## SOCIAL SCIENCE WEEK - DAY 2

**EVENT: Class Assembly on “Unsung Heroes of India: Lesser-Known Freedom Fighters & Reformers”**

**DATE: 21 April 2026**

**CONDUCTED BY: Class VIII**

As part of **Social Science Week – Day 2**, Class 8 conducted a special assembly on the theme **“Unsung Heroes of India: Lesser-Known Freedom Fighters & Reformers.”** The assembly aimed to shed light on the lives and contributions of remarkable individuals whose efforts played a significant role in shaping the nation, yet often remain overlooked in mainstream historical narratives.

Through informative presentations, speeches, and thought-provoking reflections, students highlighted the courage, determination, and selfless service of these inspiring personalities. They shared stories of freedom fighters and social reformers who worked tirelessly for the country's independence, social justice, education, and equality.

The assembly encouraged students to appreciate the sacrifices and achievements of these unsung heroes while deepening their understanding of India's rich historical legacy. It served as a reminder that the progress of a nation is built upon the dedication and perseverance of countless individuals, many of whom may not always receive widespread recognition.

The programme was both educational and inspiring, fostering a sense of gratitude, patriotism, and respect for those who contributed to India's journey towards freedom and social transformation.
