

SOCIAL SCIENCE WEEK - DAY 3

EVENT: Special Assembly on World Earth Day

DATE: 22 April 2026

CONDUCTED BY: Class VII-B

As part of **Social Science Week – Day 3**, Class 7 conducted a special assembly on the theme “**World Earth Day – If Earth Could Speak...**” The assembly served as a thoughtful reminder of our collective responsibility towards protecting and preserving the environment.

Through creative presentations, poems, speeches, and role-plays, students gave voice to the concerns of our planet, highlighting the impact of pollution, deforestation, climate change, and the overuse of natural resources. Their performances encouraged the audience to reflect on the consequences of human actions and the urgent need to adopt sustainable practices.

The assembly emphasized the importance of environmental conservation, responsible consumption, and eco-friendly habits in everyday life. Students conveyed the message that even small actions, when practiced consistently, can contribute significantly towards safeguarding the Earth for future generations.

The programme was both informative and inspiring, fostering environmental awareness and encouraging everyone to become active stewards of the planet. The creativity, confidence, and enthusiasm displayed by the students made the assembly a meaningful celebration of World Earth Day.
