

TOGETHER AGAINST BULLYING

EVENT: Class Assembly

DATE: 27 April 2026

CONDUCTED BY: Class VI-ABC

Students of Classes 6A, 6B, and 6C conducted a special assembly on the theme “**Stop Bullying**” to raise awareness about the importance of creating a safe, respectful, and inclusive school environment. Through meaningful presentations, speeches, and performances, the students highlighted the negative impact of bullying on an individual’s emotional well-being and self-confidence.

The assembly emphasized the importance of empathy, kindness, and mutual respect in fostering healthy relationships among peers. Students shared valuable messages about recognizing bullying, standing up against inappropriate behaviour, and supporting those who may be affected by it.

Through their confident presentations, the participants encouraged everyone to be responsible and compassionate individuals who contribute to a positive and welcoming school culture. The programme reinforced the idea that every student deserves to feel safe, valued, and respected.

The assembly was both informative and inspiring, motivating the audience to choose kindness, celebrate differences, and work together towards building a bully-free environment.
