

## A FUN-FILLED HINDI GRAMMAR ACTIVITY

**ACTIVITY: Noun Riddles (Sangya Paheli)**

**DATE: 30 April 2026**

**CONDUCTED BY: Class III**

Students of Classes 3A and 3B enthusiastically participated in a creative Hindi grammar activity titled 'Noun Riddles' (Sangya Paheli). The activity was designed to help students strengthen their understanding of nouns in an engaging and interactive manner.

As part of the activity, each student prepared two riddles based on nouns. One by one, they came forward and presented their riddles to their classmates, who eagerly tried to guess the correct noun. The classroom buzzed with excitement as students listened carefully, thought critically, and shared their answers.

The activity provided a refreshing and enjoyable learning experience, making grammar concepts easier to understand and remember. It also encouraged students to think creatively, improve their language skills, and participate actively in class discussions.

Presenting the riddles in front of their peers helped students build confidence, enhance their communication skills, and develop public speaking abilities. The activity successfully combined learning with fun, creating a lively and meaningful classroom experience.
