

WORLD HAND HYGIENE DAY

EVENT: Special Assembly

DATE: 5 May 2026

CONDUCTED BY: Class IX-A

Class IX A conducted a special morning assembly on the occasion of **World Hand Hygiene Day**, emphasizing the importance of maintaining proper hand hygiene for good health and well-being. Through informative presentations and meaningful messages, students highlighted how simple hygiene practices can play a significant role in preventing the spread of infections and diseases.

The assembly focused on the importance of regular handwashing, proper hand hygiene techniques, and adopting healthy habits in daily life. Students shared valuable insights on how clean hands contribute to personal health as well as the well-being of the community.

The participants delivered their presentations with confidence and enthusiasm, effectively spreading awareness about the significance of hygiene and disease prevention. The assembly encouraged everyone to make hand hygiene a regular practice and take responsibility for maintaining a healthy environment.

The programme was informative, engaging, and impactful, reinforcing the message that clean hands are one of the simplest yet most effective ways to safeguard health.
