

Cir No.: STS/42/2026-27

01.07.2026 (Wednesday)

Dear Parent

In accordance with CBSE Circular No. Acad-39/2026 regarding cybercrime awareness in schools, we seek your cooperation in promoting the safe and responsible use of digital technology among our students. With the increasing use of the internet, social media, online gaming, and digital learning platforms, children are exposed to various cyber risks such as cyberbullying, online grooming, identity theft, phishing, hacking, and financial fraud. To ensure the online safety and well-being of our students, parents are requested to guide and monitor their children regarding safe digital practices.

Important guidelines for parents:

- Monitor your child's online activities and screen time regularly.
- Ensure that your child does not share personal information such as passwords, OTPs, bank details, Aadhaar numbers, phone numbers, photographs, or location details online.
- Encourage the use of strong passwords and two-factor authentication.
- Educate your child about cyberbullying, online harassment, fake profiles, phishing emails and suspicious links.
- Supervise social media usage and ensure age-appropriate access.
- Encourage respectful and responsible online behaviour.
- Report any cybercrime, online abuse, or suspicious activity immediately.
- Discourage your child from interacting with unknown persons on social media, gaming platforms, or chat applications.
- Ensure that your child accesses only safe and educational websites and applications.
- Regularly update devices, antivirus software, and security settings.
- Discuss digital citizenship and the ethical use of technology with your child.
- Encourage your child to complete the Cyber Hygiene course available on the I4C portal on the official I4C website: <https://i4c.mha.gov.in>.

Kindly return the mentioned undertaking to the class teacher latest by **02.07.2026 (Thursday)**.
