

XAVRONICLE

Embracing Wisdom, Igniting Futures : Grades Nascent - UKG

Dear Parents,
Greetings!

It gives me immense pleasure to share glimpses of the enriching experiences our young learners have been a part of during the final quarter of the academic session. This phase was filled with joyful learning, meaningful engagement, and memorable milestones for our children. Throughout the term, the children enthusiastically participated in a variety of hands-on and experiential activities that nurtured their curiosity, creativity, and confidence. They explored new ideas, expressed themselves freely, and developed essential skills through interactive and collaborative learning experiences. Celebrations and special moments added vibrancy to their journey, helping them connect with cultural values while enjoying the spirit of togetherness.

The term also brought many joyful occasions that filled our classrooms with laughter and excitement, creating lasting memories for our little ones. It was especially heartening to witness their growth, independence, and readiness as they move forward to the next stage of their learning journey.

We remain committed to providing a nurturing and stimulating environment where every child continues to explore, engage, and grow holistically.

Thank you for your continued trust, encouragement, and partnership. Together, we are building a strong foundation for lifelong learning.

Warm regards
Ms Ritu Mehta
Director-Principal
St. Xavier's High School

A NOTE FROM THE HEADMISTRESS

Dear Parents,

Greetings from St. Xavier's!

As we come to the close of the final quarter of the academic session, it fills me with immense pride and joy to reflect upon the wonderful journey our young learners have experienced. This term has been a beautiful blend of learning, celebration, and memorable milestones.

Our little ones engaged in a variety of exciting and experiential activities. Special days like **Transport Day** and the vibrant **Kinder Market** provided hands-on learning opportunities, while the **STEAM Expo** encouraged curiosity, creativity, and innovation. Under our My School, My Family initiative, events such as the **Pet Parade** and **Matri bhasha Diwas** beautifully nurtured confidence, expression, and cultural connection among our children. The joy of celebrations continued with our **Online Lohri Celebration** and national pride during **Republic Day**, helping children understand traditions and values in a meaningful way. Fun-filled experiences like the **class party, picnic, and movie day** added laughter and excitement to their everyday learning.

A truly special moment was the **Graduation Day of our Kindergarteners**, marking an important milestone as they step forward into a new phase of their academic journey. It was heartwarming to witness their growth, achievements, and shining smiles.

As the session draws to a close, we cherish the beautiful memories created and the remarkable progress made by each child. We thank you for your constant support and partnership in nurturing happy, and well-rounded learners.

Warm regards,

Shalini Grover

Headmistress – PPW

CULTURAL EXCHANGE PROGRAMME

The indo-Russian meet held at St. Xavier's School was a wonderful and enriching experience for the students. Students from Russia were warmly welcomed by the Xavierians with great enthusiasm and hospitality. The program included cultural performances, engaging activities, and excursions that made the interaction lively and meaningful. Various discussions helped students understand each other's traditions and cultures better. Overall, it was a memorable event that promoted friendship, learning, and global awareness.

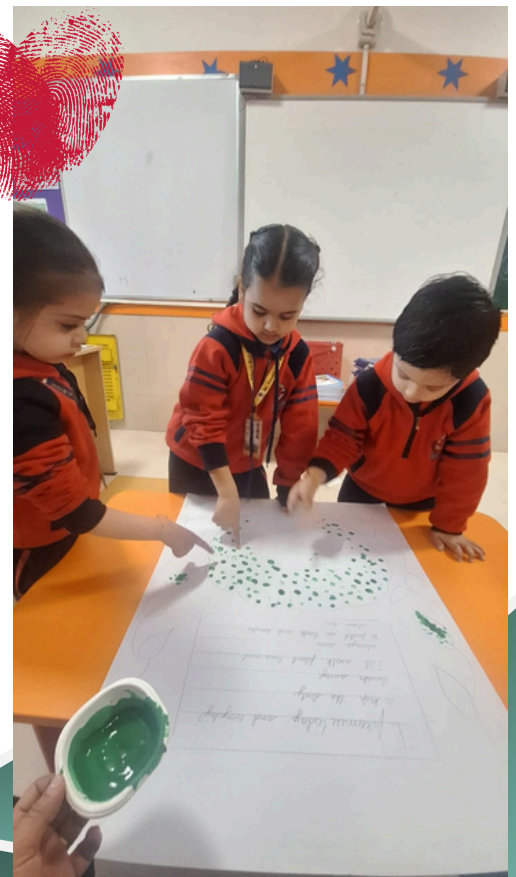

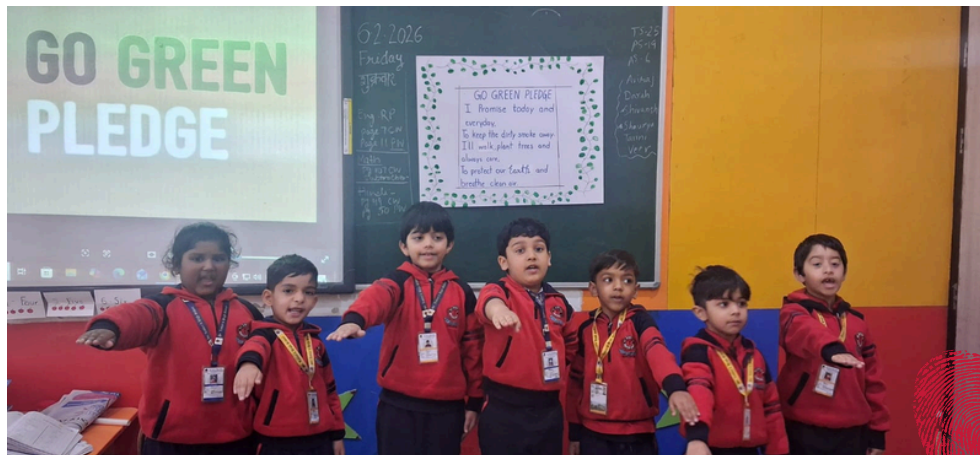

GO GREEN-NURTURING NATURE, ONE STEP AT A TIME

The young learners enthusiastically participated in a meaningful “Go Green Pledge” activity, aimed at nurturing environmental awareness and responsibility from an early age. The session began with a simple and heartfelt pledge where children promised to take small yet impactful steps such as walking more, planting trees, and caring for nature to keep the air clean and the surroundings green.

To make the activity more engaging and memorable, children expressed their commitment through a thumb printing activity. Each child dipped their thumb in green paint and marked it on the pledge sheet, symbolizing their personal promise to protect the Earth.

The activity beautifully combined creativity with values, helping children understand the importance of caring for our planet.

MY SCHOOL, MY FAMILY PROGRAM

NEW BEGINNINGS NEW PROMISES

The New Year began on a joyful and positive note with engaging parent-led sessions across Nursery and KG classes. Children enjoyed activities like experiments, storytelling, songs, and discussions on good habits and resolutions.

The sessions were lively and interactive, filling the classrooms with enthusiasm and happiness. We sincerely thank all the parents for their time and for bringing positivity and meaningful learning to our students.

MY SCHOOL, MY FAMILY PROGRAM

MATRI BHASHA DIWAS

Celebrating the Beauty of Our Mother Tongues

India, a land of vibrant cultures and countless languages, is one of the most linguistically rich nations in the world, with 121 major languages and over 19,500 mother tongues.

To honour this diversity, we celebrated Matra Bhasha Diwas with our pre-primary students and their families. Children proudly dressed in regional attire, representing their states with confidence and joy. Parents and grandparents added to the celebration in traditional outfits and brought regional delicacies, beautifully reflecting unity in diversity.

This initiative, under 'My School, My Family', strengthened the bond between school and home and aligned with the vision of NEP 2020, which emphasises mother tongue learning in the foundational years.

The celebration reaffirmed that language is not just communication, but a carrier of culture, identity, and values — many voices, one Hindustan.

MY SCHOOL, MY FAMILY PROGRAM

PET PARADE - A DAY FULL OF PAWS, SMILES & LEARNING!

Our school was filled with excitement and happiness as we celebrated a joyful Pet Parade, where students from Nascent to Grade 2 proudly came on stage with their beloved pets—fish, birds, dogs, cats, and more! With bright smiles and lots of confidence, the children spoke about their pets, sharing their names, habits, and what makes them so special. The little learners were also introduced to fun and interesting facts about birds, fish, dogs, and cats, making the experience both enjoyable and educational.

Pets accompanied by parents added to the thrill, and the campus buzzed with excitement as children got a chance to see different breeds of dogs and animals up close. The event concluded with a fun quiz session, where children enthusiastically participated and showcased what they had learned. A big thank you to our supportive parents and our enthusiastic students for making the Pet Parade a memorable and joyful experience for everyone!

MY SCHOOL, MY FAMILY PROGRAM

Toilet Training Made Easy

St. Xavier's High School organized an insightful webinar for parents on the topic "Toilet Training Made Easy – From Diapers to Independence." The session was led by esteemed experts, Dr. Sanjay Wazir, a renowned pediatrician, and Ms. Monika Sharma, a counseling psychologist.

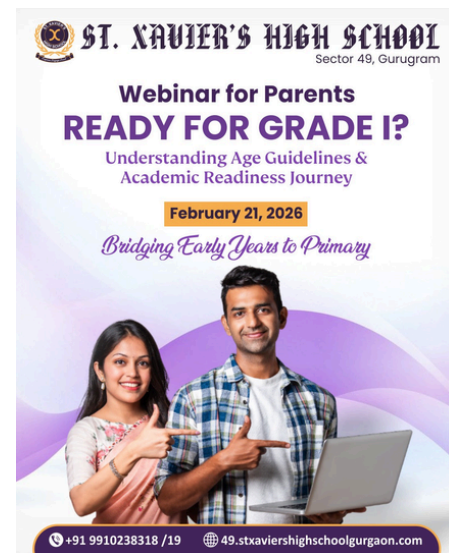

The webinar focused on guiding parents through practical and effective strategies to help children transition confidently from diapers to independent toilet habits.

The session proved to be highly informative and reassuring for parents, equipping them with the right knowledge and confidence to support their child's journey towards independence.

Webinar Ready for Grade 1?

A webinar was organized for parents to guide them on the important transition from Kindergarten to Grade 1. The session highlighted the key differences between UKG and Grade 1, helping parents understand the academic expectations, curriculum changes, and skills their child will develop at this stage.

The discussion focused on how completing the full KG journey supports a child's confidence, readiness, and overall development. The session proved to be insightful, enabling parents to make informed decisions while ensuring a smooth and confident transition for their children into Grade 1.

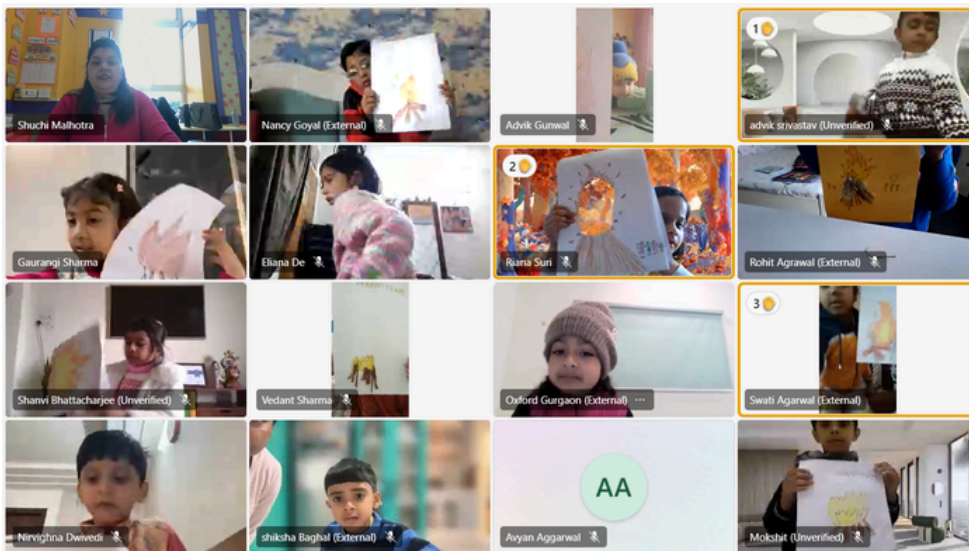

VIRTUAL LOHRI, REAL FESTIVE JOY!

Our online classrooms lit up with festive cheer as Lohri was celebrated with great joy and enthusiasm by our Nascent to UKG learners on 13th January.

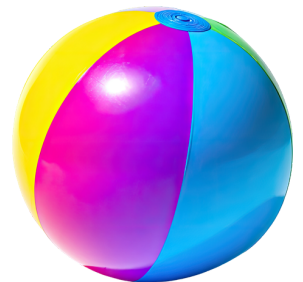

Dressed in bright ethnic attire, the little ones filled the screen with colours, smiles, and adorable energy. Teachers introduced the significance of Lohri as a harvest festival, helping young learners connect with our rich cultural traditions.

The celebration was full of fun with cute dance moves, claps, and happy giggles as children enjoyed traditional treats like peanuts and popcorn. It was truly heartwarming to see their excitement and togetherness, making the celebration joyful, meaningful, and full of beautiful memories.

FUNDOO DAY BY SPORTS VILLAGE

The tiny tots of St. Xavier's High School, Gurgaon, had a thrilling time celebrating Fundoo Day with a series of exciting gross motor activities! The children ran, jumped, crossed hurdles, crawled through tunnels, and moved in and out of hoops with boundless energy. Taking turns, watching, and following their peers added to the fun while building teamwork and coordination. The day was filled with laughter, movement, and joyful learning — a perfect fusion of play and skill-building that left every child glowing with happiness.

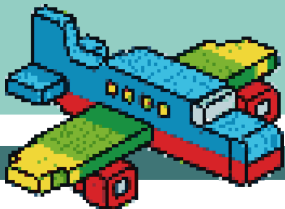

REPUBLIC DAY & BASANT PANCHAMI

A special assembly was organized to celebrate Republic Day and Basant Panchami. The children looked vibrant in tricolour and yellow attire, reflecting patriotism and festivity. The assembly highlighted the importance of Republic Day along with the significance of Basant Panchami, emphasizing knowledge and wisdom associated with Goddess Saraswati, and was beautifully concluded with a Republic Day song, Saraswati shloka chanting, and a patriotic dance performance, making the celebration joyful and meaningful.

STEAM EXPO

Where Little Minds Created Big Wonders!

Our tiny innovators from KG & UKG amazed everyone at the STEAM Expo with their creativity, confidence, and curiosity. The children beautifully showcased their projects like windmills, tricycles, aeroplanes, helicopters, dogs, houses, and many more models made with love and imagination.

What made the day even more special was watching our young learners confidently speak about their projects, explaining how they made them and what they learned through the process. This wonderful blend of Science, Technology, Engineering, Arts, and Mathematics truly brought learning to life and reflected the joy of hands-on learning.

ADVENTURE CAMP

The adventure camp organized by Rocksport was an exciting and memorable experience for the children. They participated in a variety of thrilling activities. The children showed great enthusiasm and teamwork while enjoying each activity. It was a day full of fun, learning, and new experiences. Overall, the camp brought smiles, confidence, and joy to all the participants

SPORTS DAY

FUN-FILLED RACE DAY FOR NURSERY, KG & UKG

A day full of excitement, energy, and cheerful laughter was enjoyed by our Nursery, KG, and UKG children as they participated in a variety of fun races. The little ones enthusiastically took part in activities like Egg on the Marker, Jungle Jump, Colourful Stone (Out-In Race), and the ever-exciting Footstep Race. Each race was thoughtfully designed to enhance coordination, balance, and motor skills while encouraging teamwork and sportsmanship. With bright smiles, active participation, and loud cheers, the children showcased great confidence and joy. It was truly a delightful sight to see our young learners learn, play, and grow through these engaging physical activities.

CLOUD & BUBBLE DAY

The adorable tiny tots of Nursery and Nascent classes had a delightful Cloud & Bubble Day filled with laughter and fun! Children joyfully ran around catching and bursting bubbles, their giggles filling the air. They explored creativity by making colourful bubble art and watching magical patterns appear.

Looking up at the sky, they imagined playful cloud shapes and drew fluffy clouds together, sharing smiles and excitement. A fun foam sensory activity added to the joy, keeping their little hands busy and happy.

The day ended with cheerful photo moments, capturing beautiful memories of bubbles, clouds, creativity, and joyful learning.

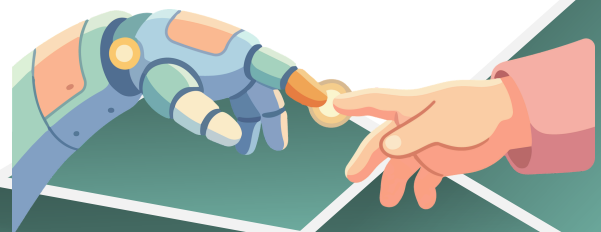

WORKSHOP FOR LITTLE XAVERIANS

A meaningful and age-appropriate workshop on “**Good Touch and Bad Touch**” was conducted for our Pre-Primary learners by the school counsellor. The session aimed to create awareness about personal safety in a gentle and child-friendly manner.

Through engaging stories, visuals, and simple discussions, children were helped to understand the difference between safe and unsafe touch. They were encouraged to express their feelings, say “NO” confidently, and immediately inform a trusted adult if they ever feel uncomfortable.

The workshop created a safe space for young learners to ask questions and learn important life skills. It was an insightful session that empowered children with awareness, confidence, and the ability to protect themselves.

PICNIC TO LESIURE VALLEY PARK

Our little stars from Nursery to UKG had a joyful and exciting day as they went for a fun-filled picnic to Leisure Valley Park. Surrounded by nature, the children enjoyed playing a variety of lively games including tug of war, freeze dance, fire in the mountain, and catch-and-throw ball. Their laughter echoed through the park as they explored, played, and bonded with their friends.

Sharing the snacks they brought from home added a touch of warmth and togetherness to the day. The outing was not just about fun — it also supported their emotional and social development, helping them learn cooperation, friendship, and confidence.

The children returned with smiles, laughter, and memories they will cherish for a long time.

HOLI

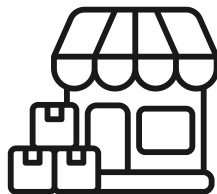

Our little ones celebrated Holi with great joy and excitement! Dressed in old T-shirts, they created vibrant handprints, played with flowers, and danced happily with their friends. It was a colourful day filled with fun, laughter, and festive cheer.

KINDER MARKET

Pre-Primary students of St. Xavier's High School visited the Kinder Market, a mini marketplace set up within the school. The activity gave children a hands-on experience of buying and selling while learning new words such as currency, purchase, billing, and payment. Students explored stalls with fruits and vegetables, pulses and cereals, dairy products, and household essentials, and practiced simple transactions. They also used paper bags, promoting eco-friendly habits. The activity combined practical learning with fun, helping children understand everyday market experiences.

TRANSPORT DAY

The Nursery children of St. Xavier's High School joyfully celebrated Transport Day as they explored the three modes of transport: land, water, and air. They learned about vehicles on wheels and enjoyed hands-on activities that made the concepts come alive.

Children excitedly collected their boarding passes at the airport counter and “boarded” the classroom airplane. They practiced road safety by crossing the zebra crossing and wearing car cutouts while following traffic signals. For water transport, they watched a rowboat and enjoyed a fun steam activity where they blew air to move small paper boats in water.

Through play, movement, and real-life role-play, our little learners discovered how different transports help us travel. It was a day full of excitement, learning, and adventure!

POPCORN, SMILES & MOVIE VIBES!

The Pre-Primary children had a delightful movie time as they watched Zootopia 2 together. They enjoyed the film with great excitement, cheering for their favorite characters and getting completely immersed in the fun-filled story. With tasty treats like popcorn and juice, the experience became even more enjoyable. Laughter, smiles, and happy chatter filled the room, making it a truly special time for all. It was a fun-filled and memorable experience that the little ones thoroughly enjoyed with their friends.

BLOOM BASH

The nursery children welcomed the spring season with a joyful Bloom Day celebration. Each child carried a unique flower, different from the usual roses and marigolds, showcasing the wonderful diversity of nature. As they explored these uncommon blooms, they discovered that every flower has its own charm and story to tell. Together, their collection created a vibrant garden of surprises, filled with colors, curiosity, and laughter. The day became a delightful lesson in appreciating nature's beauty and embracing uniqueness.

JUNGLE JUMBOREE

As part of our ongoing Animals theme, our young learners at Nascent stepped into the wild with an exciting Jungle Jamboree! Children arrived dressed as their favourite wild animals and confidently spoke about the creatures they represented.

The day was filled with roaring fun as the kids enjoyed a variety of jungle-themed games such as Feed the Animals, Toss the Animals, Fishing, Jungle Trail, and an engaging Story Session.

Their enthusiasm reached its peak as they danced their hearts out in their adorable animal avatars.

It was a vibrant, joy-filled celebration that brought the jungle to life and created unforgettable memories for our little explorers!

STORY CHARACTER, NUMBER & ALPHABET FIESTA

The Little Xaverians of Grade Nursery celebrated a vibrant Fiesta of Imagination and Learning. Children came dressed as their favorite story characters, numbers, or alphabets, bringing creativity to life in colorful costumes. With cheerful smiles, they paraded together in a joyful display that blended play, learning, and imagination.

The celebration turned into a lively showcase where fairy tales, numbers, and alphabets met in harmony, making the day both fun-filled and educational. It was truly a memorable experience for the little ones, sparking curiosity and joy all around.

CHEERS TO A FUN-FILLED YEAR!

“Every ending is a new beginning—go forward with confidence, joy, and a heart ready to explore.”

We wrapped up the session with bright smiles, joyful giggles, and hearts full of happy memories.

The final day was filled with laughter, excitement, and a touch of nostalgia. From fun-filled games to lively dance moves and a cheerful celebration, every moment was enjoyed to the fullest with friends.

As this beautiful journey comes to an end, we wish all our little stars the very best as they step into their next grade. May they continue to learn, grow, and shine brightly in everything they do.

GRADUATION DAY

The UKG Graduation Day was a heartwarming culmination of the children's beautiful journey in their early years. Dressed in adorable graduation gowns, the little graduates lit up the stage with their confident performances and cheerful songs. Their smiles reflected growth, learning, and countless happy memories. Parents shared touching experiences, recalling how their children blossomed during their time in UKG. It was an emotional and proud moment for all, marking a new beginning filled with hopes and dreams.

EMPOWERING EDUCATORS THROUGH CONTINUOUS LEARNING

Our Pre-Primary teachers actively participated in a series of enriching virtual professional development sessions conducted by **Kaledio Education**, in partnership with **SAAR Education (I) Pvt. Ltd.**, and in collaboration with the **Early Childhood Association (ECA)** and the **Association for Preparatory Education & Research (APER)** under the Global Program for Professional Growth in Early Childhood Education.

These sessions focused on key areas such as project-based learning, language development, and imaginative play in early years education. Teachers gained valuable insights into inquiry-driven pedagogy, foundational literacy skills, and play-based learning approaches.

The workshops emphasized creating meaningful, child-centered learning experiences that foster communication, confidence, collaboration, and creativity among young learners. This initiative reflects the school's commitment to continuous professional growth and excellence in early childhood education.

REFLECTIONS

Thank you Mam for your patience & dedication in guiding Avyan through this important year. Your encouragement & support have played a meaningful role in his growth and confidence.

We truly appreciate all the effort you put into shaping such a position. As he moves on to the Grade I we are grateful for the strong foundation you've helped build.

Himanshu, Avyan's Father-UKG A

Atharv truly enjoyed his time in KG-D. Thank you, Ms. Vidhi and Ms. Yvonne, for your warmth, patience, and for creating such a happy learning space for him. The improvement we saw in him because of both of you made the year beautiful and memorable. He learned so many new things and loved sharing them with us after coming back from school. Be it English, Math, or Hindi he loves it all.

Parent of Atharv KG D

Thank you so very much for everything ma'am. Samarth is blessed to have you and Rashmi ma'am as his first mentors. Means a lot.

Parent of Samarth - Nursery C

Dear Ma'am,

Thank you for your kind words and for all the care, guidance, and support you have given to our children throughout the year. It truly means a lot to us as parents.

We are grateful for your dedication and the positive impact you have had on them. Wishing you both all the very best, and hoping our children continue to make you proud in the years ahead.

Warm regards

Parent of Deepayan Paul.. KG-F

Dear Ma'am,
I would like to express my heartfelt thanks to you for all the love, care, and support you have given to my daughter throughout the year. Your patience, guidance, and encouragement have played a big role in her growth and confidence. Thank you once again for everything you have done. We are really grateful to have a teacher like you.
Parent of Pehr- UKG A

REFLECTIONS

Thank you for inviting us to the STEAM exhibition today. I truly loved seeing how science concepts are being introduced to the children at such an early stage. The way the kids confidently presented and demonstrated their models-like the rocket, windmill, etc. was wonderful to watch. Through such activities, they are not only learning science & technology but also developing communication skills, confidence, and overall personality. It was evident that real all-round development is happening. Great work by the entire team!
Aarvi Sinha's Parents -KG A

Thanks alot maam for the wonderful 2026 , not only shanaya but i enjoyed too . May you continue to spread love and your teachings
Shanaya's Parents KG D

Thank you so much for your continued support, in last one year Anika has improved so much it is all about your support and regular feedback.

Mother of Anika - UKG B

Hi Ma'am, Thank you for guiding Rudraksh with so much patience, kindness, and encouragement. Your support has helped him grow and watching him grow in confidence, curiosity, and happiness throughout this journey has been beautiful, Thank you for being such an important part of Rudraksh's journey. We will always be grateful.
Mother of Rudraksh- KG E

Thank you so much dear teachers, we really appreciate your constant support and efforts to make Mishika a confident child. We are glad that we chose you and really thank almighty to bless Mishika with the teachers like you both.

Mother of Mishika(UKG-B).

REFLECTIONS

Dear Ma'am,

As this academic session comes to an end, I wanted to take a moment to express my heartfelt gratitude for the care, patience, and dedication you have shown towards my son throughout the year.

Your guidance has not only helped in academic growth but has also nurtured confidence, curiosity, and a love for learning. It's truly reassuring to know that my child had such a supportive and inspiring teacher during this important phase.

As he moves on to a new class, we will always carry forward the positive impact you have made. Thank you for being such a wonderful mentor and for making this year so meaningful.

Wishing you continued success and happiness.

Warm regards,
Jyoti Mother of Aarav Sharma KG A

Dear Ma'ams,

As Mokshit moves to Class 1, I would like to thank both of you for your care, patience, and support during his UKG year. We truly appreciate all the effort you put into teaching and guiding the children.

Thank you for everything you have done for Mokshit.
Mother of Mokshit (UKG-A)

Thank you so much Mam for this beautiful and intellectual journey of Eshana in your guidance. All the very best to you too for your future endeavours
Parent of
Eshana
KG-B

Dear Teachers,

We would like to express our heartfelt gratitude for the incredible support, care, and guidance you have given to Navish throughout his UKG journey. It has been truly wonderful to see his growth over time—not just academically, but also in his confidence and personality.

When the year began, Navish was a bit reserved, but with your encouragement, patience, and positive environment, he has blossomed into a much more outspoken and confident child. Seeing him express his thoughts, participate actively, and enjoy learning has been a proud and emotional experience for us as parents.

Your dedication and efforts have played a significant role in shaping his journey, and we deeply appreciate everything you have done for him.
