Volume 1 | Issue 2 | June 2026

A Warm Summer Welcome..

To Our Wonderful Young Learners and Families,

Welcome to the second edition of Credence Blooms – Early Years Wellbeing Journal!

As we approach the much-awaited summer break, we are delighted to share this special edition themed "My Plans for Summer Vacation." Through their creativity, imagination, and enthusiasm, our young learners have expressed the exciting adventures, experiences, and memories they hope to create during their holidays.

From family trips and visits to special places, to learning new skills, exploring hobbies, spending time with loved ones, and enjoying simple moments of fun, each contribution reflects the unique dreams and aspirations of our children. Their wonderful work reminds us that every child views the world through a lens of curiosity, excitement, and endless possibilities.

At Credence High School, we believe that encouraging children to share their thoughts, ideas, and aspirations helps build confidence, self-awareness, and a positive sense of wellbeing. Credence Blooms continues to provide a meaningful platform for our learners to express themselves, celebrate their individuality, and strengthen the connection between home and school.

We extend our heartfelt appreciation to our young learners, parents, and teachers for their continued support and enthusiastic participation. Your contributions have made this edition truly special.

As we welcome the summer holidays, we wish all our families a joyful, safe, and memorable vacation filled with laughter, learning, and treasured moments together.

With warm wishes,

For my summer vacation I want to go to SeaWorld in Abu Dhabi! I am so excited! I want to see all the pretty and colourful fish and the big sharks and the funny penguins! I also want to learn about all the different sea animals and find out how they live in the water. I love sea animals so much and I cannot wait to go! It is going to be the best day ever!

A Fond Farewell to our Summer Edition

As we come to the close of our second edition of Credence Blooms, we celebrate the excitement, dreams, and wonderful aspirations shared by our young learners through the theme "My Plans for Summer Vacation."

This edition has given us a glimpse into the adventures our children look forward to-whether it is travelling to new places, spending time with loved ones, learning new skills, exploring hobbies, or simply creating happy memories during the summer break. Each contribution reflects the imagination, enthusiasm, and unique personality of every child.

At Credence, we believe that every child's thoughts, dreams, and experiences are valuable. Through Credence Blooms, we continue to provide a meaningful platform where our young learners can express themselves, build confidence, and celebrate their individuality. We extend our heartfelt gratitude to our children, parents, and teachers for their continued enthusiasm and support in making this edition a memorable one.

Remember...

"Every dream begins with a plan, every adventure starts with a step, and every memory becomes a story to treasure."

As our learners embark on their summer journeys, we wish them days filled with laughter, discovery, learning, and unforgettable moments.

We look forward to welcoming everyone back with new experiences, new stories, and new reasons to bloom in the next edition of Credence Blooms.
