"The stage is not merely the meeting place of all the arts, but is also the return of art to life."

Dear Parent

We are thrilled to once again commence **The Theatre Club**, an exciting venture crafted especially for the students of **classes III-VIII** who are passionate about drama, expression, and the performing arts. Theatre is more than acting; it is a journey into imagination and confidence. It fosters creativity, collaboration, communication skills, empathy, and self-discipline. Whether your child dreams of the limelight or simply seeks to overcome stage fear, theatre nurtures growth from the inside out.

Key Highlights:

- Exclusive training in acting, voice modulation, stage presence, and improvisation.
- Body, voice and mind exercises.
- Confidence building, effective communication and other essential skills like empathy and emotional growth.
- Team building and trust activities.
- Sessions will be held once a week during school hours.
- Registration Fee: ₹ 3,000/- per student to be deposited latest by **13.07.2026 (Monday)** to the respective class teachers.
- It is an optional programme.

We encourage all interested students to join the exclusive Theatre Club and take advantage of this rewarding experience.
