ABACUS PROGRAMME FOR CLASSES I-V (SKILL DEVELOPMENT COURSE)

Dear Parent

The overwhelming response received for the Abacus Programme introduced in the previous academic sessions has been very motivating for all of us. Abacus is a 360-degree brain development programme to enhance creativity, concentration and confidence in a child. It imparts better techniques to do faster calculations and helps in improving listening skills and learning ability. In this regard, the school in collaboration with **AVAS** (a leading organisation working at the national level with many renowned schools) proposes to extend the opportunity again this academic session.

The classes will be conducted by professional teachers for the duration of one hour per week within the school hours.

Fee for the programme:

ABACUS classes I-V	• ₹ 2500/- Fee includes sessions, kit, books, tools along with the access to the App especially designed to keep a track of student's progress all through the year. (July 2026 - February 2027)
Enrolments are on first come first served basis	

- Certificates and medals will be awarded after completion of the course.
- Result of the Abacus club will be shared in month of March.
- A national platform is provided in the National Level Championship for every student. Champions get a special honour on the National Mathematics Day.

Please note:

1. A cash payment of **₹2500/-** to be submitted to the class teacher latest by **13.07.2026 (Monday)**.
2. It is an optional programme.

Ms Meneka I. Singh
(Principal)
