

SUMMER CAMP ARTISAN WORKSHOP 2026

Subject: Summer Camp Artisan Workshop 2026 : Classes III - VIII

Date: May 25, 26 & 29 2026

Description:-

The Art Department of DPS Knowledge Park V successfully organized the **Artisan Workshop 2026** as part of the Summer Camp on 25, 26, and 29 May 2026. Conducted by skilled artisans, the workshop introduced students to traditional crafts and creative techniques through hands-on activities such as Vintage Window Creation, Rath Chakra Making, Rock Texture Painting, and Cheriya Mask Designing. Students explored texture painting, jute rope art, decorative craftwork, and heritage-inspired designs using a variety of materials. An online session on 29 May, conducted due to District Administration directives, enabled students and parents to participate in Cheriya mask painting under expert guidance. The workshop provided a valuable platform for experiential learning, helping students enhance their creativity, artistic skills, and appreciation of India's rich craft traditions.
