

PROMOTING RESPONSIBLE ROAD BEHAVIOUR

ACTIVITY: Road Safety Awareness Through Live Learning

DATE: 8 May 2026

CONDUCTED FOR: Classes XI-XII

Students of Grades 11 and 12 participated in the live streaming of the **Mega Road Safety Programme**, an awareness initiative aimed at educating young people about responsible road behaviour and traffic safety. The session provided valuable insights into the importance of following traffic rules and adopting safe practices while using roads.

Through expert presentations and informative discussions, students learned about road safety regulations, the consequences of reckless driving, the significance of wearing helmets and seat belts, and the role of pedestrians in ensuring road safety. The programme emphasized that responsible actions by every individual contribute to safer roads and the prevention of accidents.

The live session encouraged students to become more aware of their responsibilities as future drivers and responsible citizens. It also highlighted the importance of making informed decisions and promoting a culture of safety within the community.

The programme proved to be an informative and impactful learning experience, reinforcing the message that road safety is a shared responsibility and an essential aspect of everyday life.
