

CELEBRATING INNOVATION ON NATIONAL TECHNOLOGY DAY

EVENT: National Technology Day Special Assembly

DATE: 11 May 2026

CONDUCTED BY: Class VI-B

Class 6B conducted a special morning assembly on the occasion of **National Technology Day**, highlighting the significant role of science and technology in shaping modern society and driving national progress.

Through informative presentations and engaging messages, students shared insights into the importance of technological advancements in various fields, including communication, healthcare, education, transportation, and space exploration. The assembly emphasized how innovation and scientific thinking contribute to solving real-world challenges and improving the quality of life.

Students also reflected on India's achievements in science and technology and the importance of nurturing curiosity, creativity, and problem-solving skills among young learners. Their confident presentations encouraged everyone to appreciate the impact of technology and its role in building a brighter future.

The assembly was both educational and inspiring, motivating students to embrace innovation, explore new ideas, and develop a scientific temper. It served as a meaningful celebration of National Technology Day and the remarkable contributions of science and technology to society.
