

SCHOOL MEDICAL CHECK-UP PROGRAMME

DATE: 8 July 2026

CONDUCTED FOR: Classes 1, 2, 3

On **8 July 2026**, a **School Medical Check-Up Programme** was conducted for students of **Classes 1, 2, and 3** as part of the school's commitment to promoting health and well-being. The initiative aimed to monitor students' overall health and encourage the importance of regular medical examinations from an early age.

During the programme, medical professionals carried out comprehensive health screenings, including general physical examinations and oral health assessments. The check-up helped identify any health concerns at an early stage while reinforcing the significance of maintaining good hygiene, nutrition, and healthy lifestyle habits.

Students participated with enthusiasm and confidence throughout the screening process. The friendly and supportive approach of the medical team ensured that the children felt comfortable and at ease during the examinations.

The programme served as a valuable step towards creating greater health awareness among students and emphasized the importance of preventive healthcare in ensuring a healthy and active future.
