

CCD WORKSHOP

(GRADE – IX)

SESSION: 2026 – 27

Name of Workshop: Self Discovery

Resource Person: Prof. Yasmine A. Shilla

Date: 22 May 2026

Duration: 10:15 a.m. – 11:15 a.m.

Venue: School Auditorium

Content:

The Self Discovery Workshop was conducted for students of Grade IX with the objective of helping them understand their personality, strengths, values, and aspirations. The resource person engaged students through interactive discussions, reflective activities, and self-assessment exercises that encouraged deeper self-awareness. Students explored the importance of identifying their interests, recognizing personal strengths, and building confidence in decision-making. The session also highlighted the role of self-understanding in setting realistic goals and maintaining emotional well-being.

CCD WORKSHOP

(GRADE – XI)

SESSION: 2026 – 27

Name of Workshop: Emerging Careers & Future Skill Labs

Resource Person: Mr. Krishna Kumar & Ms. Manya Dwivedi

Date: 26 May 2026

Duration: 10:15 a.m. – 11:15 a.m.

Venue: Computer Lab (4th Floor)

Content:

The workshop on Emerging Careers & Future Skill Labs was conducted for Grade XI students to introduce them to emerging career opportunities and future-ready skills. The session focused on rapidly growing fields such as Artificial Intelligence, Data Science, Cybersecurity, Digital Marketing, and Entrepreneurship. A key highlight of the workshop was the hands-on experience provided to students in creating AI-powered tools and applications. Students actively participated in practical activities that demonstrated how AI can be used to solve real-world problems. The resource person also emphasized the importance of critical thinking, creativity, adaptability, and technological literacy in the modern workforce. The interactive session enhanced students' understanding of future careers and inspired them to explore innovative technologies.
