

MATCHING WORDS WITH CONFIDENCE

ACTIVITY: Letter Matching Competition

DATE: 13 July 2026

CONDUCTED BY: Classes 1 and 2

Students of Classes 1 and 2 enthusiastically participated in the **Letter Matching Competition**, an engaging activity designed to strengthen their early literacy skills through interactive learning.

During the competition, students were asked to read a given word correctly and then match it with its corresponding **lowercase spelling**. The activity encouraged learners to identify letters accurately, improve word recognition, and strengthen their reading and spelling abilities.

The competition provided a fun and supportive environment where students confidently applied their phonics and vocabulary skills while enhancing their observation, concentration, and language development. Their enthusiastic participation reflected their growing confidence and interest in learning.

The activity successfully combined learning with enjoyment, helping students build a strong foundation in English language skills while making the learning process exciting and meaningful.
