Embracing Wisdom, Igniting Futures: GRADE 1

Dear Parents,

Greetings!

The past few months have been a dynamic and enriching phase of learning for our students, marked by a thoughtful balance of academics, skill-building, and joyful engagement. Through well-structured lessons, hands-on activities, and experiential learning opportunities, students have strengthened core concepts while developing essential skills such as critical thinking, creativity, communication, and collaboration.

Competitions, assemblies, and classroom activities provided platforms for children to express themselves with confidence, explore their talents, and learn the values of participation and perseverance. Celebrations and special events further enriched the learning journey by fostering cultural awareness, social bonding, and a sense of belonging. I sincerely appreciate the commitment of our teachers and the support of parents in nurturing a positive and inspiring learning environment where every child continues to grow with joy, curiosity, and confidence.

Regards,
Director-Principal

Happy Republic Day

St. Xavier's High School celebrated Republic Day with great enthusiasm and pride. The school was beautifully decorated with tricolour balloons, adding a festive and patriotic spirit to the celebration. The celebration began with the special assembly and unfurling of the national flag by our Director-Principal ma'am, followed by the National Anthem. Students learned about the importance of Republic Day and the values of unity, freedom, and respect for the nation. All the students took an oath to love and respect their country and be responsible citizens. The sweet fragrance of the flowers filled the air, making the celebration even more pleasant and refreshing.
