Hands on Artistry workshop

Date: 27th and 28th July

Creativity takes courage, and every masterpiece begins with a single idea.”

Creativity takes courage, and every masterpiece begins with a single idea.”

With the aim of nurturing creativity and encouraging artistic expression, ITL Public School organised two inspiring Hands-on Artistry Workshops on 27 and 28 July 2026. Conducted by Ms. Shweta from HT, the workshops provided students with an engaging platform to explore their artistic talents through innovative craft activities. Report on artistry workshop.docx

On 27 July 2026, Class IV students created vibrant Lemon Canvas artworks using Mould It. They experimented with modelling and painting techniques, transforming simple materials into colourful and creative masterpieces. Report on artistry workshop.docx

On 28 July 2026, Class V students designed elegant Tea Light Holders using Mould It. The activity enhanced their creativity, precision, and fine motor skills while allowing them to craft unique decorative pieces. Report on artistry workshop.docx

The workshops offered a joyful and enriching learning experience, fostering imagination, confidence, and artistic skills. Students participated with great enthusiasm and showcased remarkable creativity, making both sessions highly engaging and memorable.
