

VAN MAHOTSAV 2026

DATE: 1-7 July 2026

VENUE: ITL Public School, Sec-9, Dwarka

CONDUCTED BY: Department of Science

STUDENTS INVOLVED: Students of Classes III–V of ITL Public School

"The best time to plant a tree was years ago. The next best time is today."

Van Mahotsav, the annual festival of trees, was celebrated with great enthusiasm to inspire students to value nature and contribute towards a greener environment. The celebration aimed to create awareness about the importance of trees in maintaining ecological balance, conserving biodiversity, and combating climate change.

ITL Public School celebrated Van Mahotsav by organizing a variety of engaging activities for students of Classes III–V. Students enthusiastically participated in a Poster Making Competition, creatively illustrating the importance of forests, biodiversity, and environmental conservation through impactful artwork. A Slogan Writing activity encouraged students to express powerful messages promoting tree plantation, conservation of forests, and sustainable living. Students also confidently delivered speeches on the significance of Van Mahotsav, highlighting the vital role of trees in maintaining ecological balance and emphasizing every individual's responsibility towards protecting the environment.

The celebration provided students with a meaningful platform to showcase their creativity, communication skills, and environmental awareness. Through these activities, they developed a deeper appreciation for nature and understood the importance of preserving green cover for future generations.

The Van Mahotsav celebration concluded with a renewed commitment from students to plant more trees, the students sang a melodious song to adopt eco-friendly practices in their daily lives. The event successfully reinforced the message that every tree planted today contributes towards a greener, healthier, and more sustainable tomorrow.
