FROM DIRECTOR PRINCIPAL'S DESK

"Education is not just about gaining knowledge; it is about shaping character, inspiring confidence, and nurturing compassionate hearts."

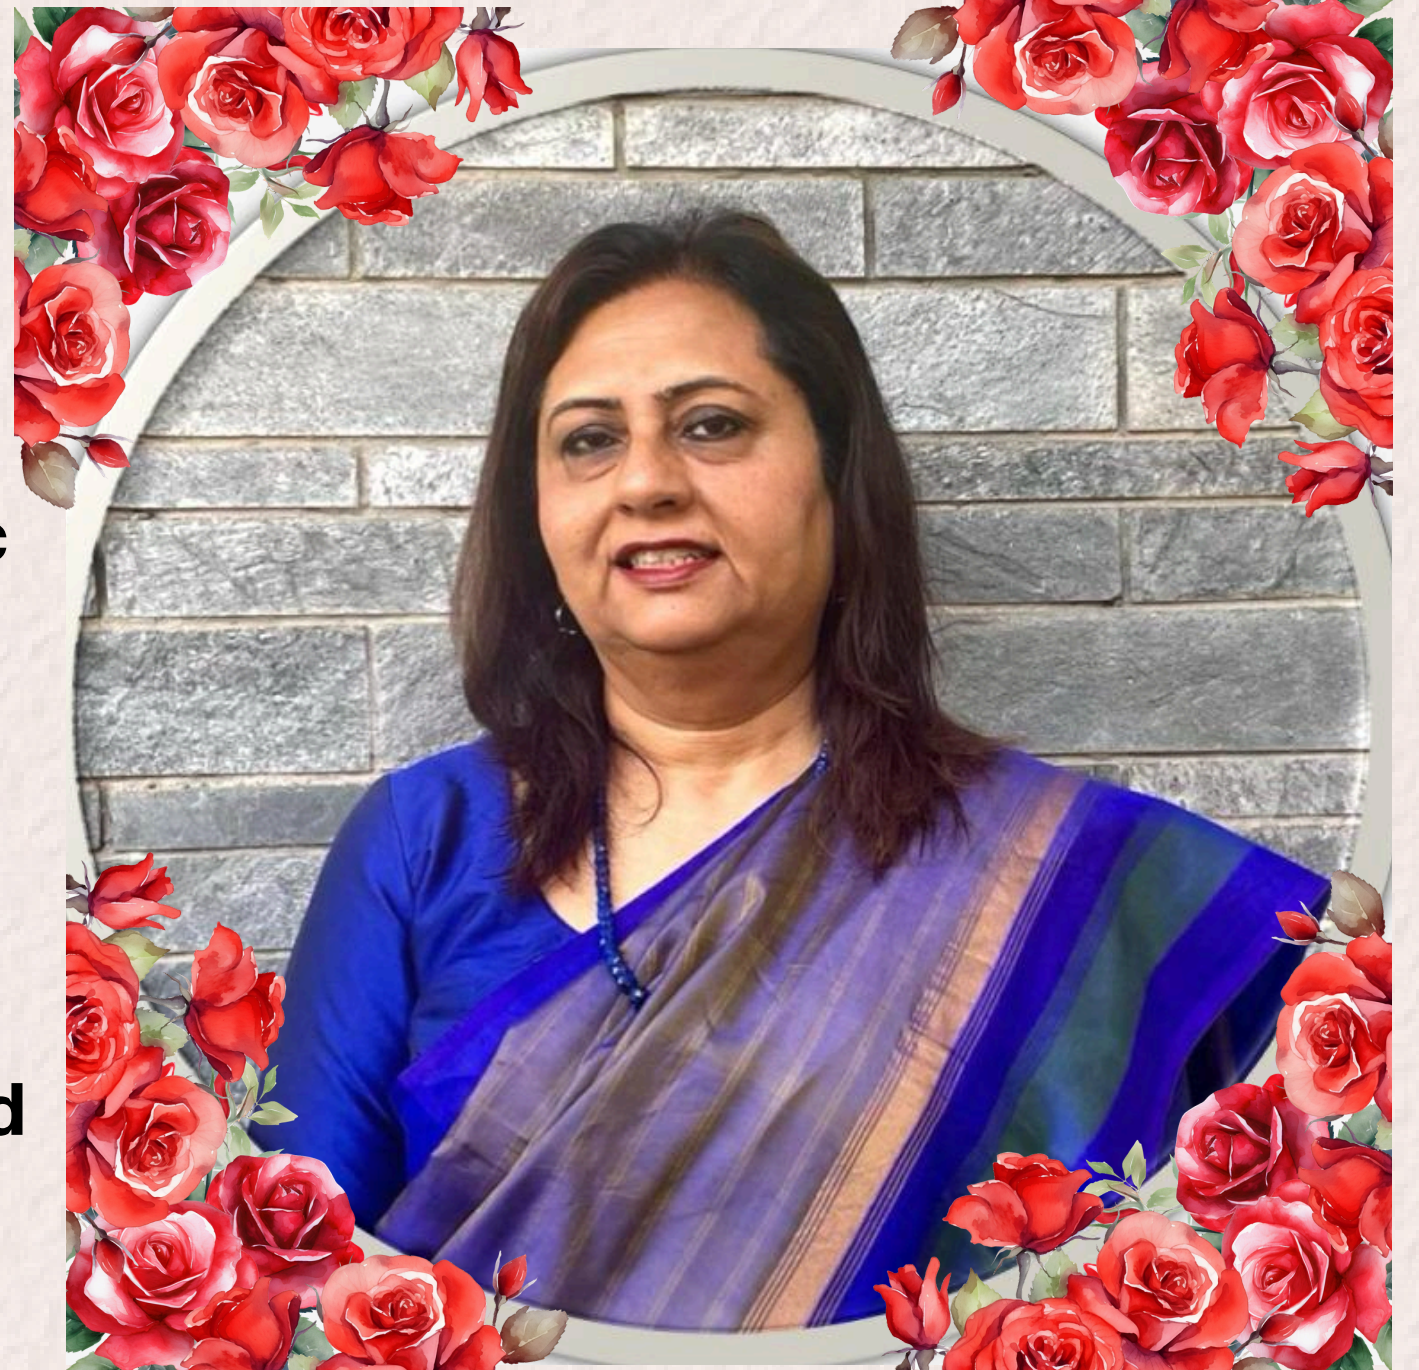

Dear Parents, Students, and Members of the SXHS Family,

It gives me immense pleasure to present the first edition of The Xavronicle for the academic session 2026-27. As we reflect on the opening months of this academic year, I am filled with gratitude and pride in the remarkable journey our school community has embarked upon together. Every new academic session brings with it fresh aspirations, renewed enthusiasm, and countless opportunities to learn, grow, and excel. The first quarter has been a testament to this spirit. Our classrooms have echoed with curiosity, our playgrounds with teamwork, our stages with confidence, and our corridors with the joyful energy that defines life at SXHS. Education, in its truest sense, extends far beyond academic achievement. It is about nurturing compassionate hearts, inquisitive minds, responsible citizens, and confident leaders. At SXHS, we remain committed to providing our students with meaningful experiences that inspire critical thinking, creativity, collaboration, and character. Whether through scholastic excellence, leadership opportunities, cultural celebrations, sporting achievements, educational excursions, or community engagement, every experience contributes to shaping well-rounded individuals prepared for an ever-evolving world. I am immensely proud of our students, who have embraced every opportunity with enthusiasm, resilience, and a desire to excel. Equally commendable is the unwavering commitment of our teachers, whose passion, dedication, and tireless efforts continue to inspire and empower every learner. My sincere appreciation also goes to our parent community for the trust, encouragement, and partnership that strengthen the bond between home and school. Together, we create an environment where every child is encouraged to discover their potential and pursue excellence with confidence. As we journey through the rest of the academic year, let us continue to foster a culture of curiosity, kindness, discipline, and lifelong learning. May every challenge become an opportunity, every experience a lesson, and every achievement a stepping stone towards greater success. I invite you to explore the pages of this edition of The Xavronicle, which beautifully captures the many milestones, memorable moments, and accomplishments of our students during the first quarter of the session. May it remind us that every achievement, big or small, is a celebration of perseverance, collaboration, and the shared vision that defines the spirit of SXHS. Wishing each one of you a fulfilling, purposeful, and successful academic year ahead.

With warm regards,

Ritu Mehta

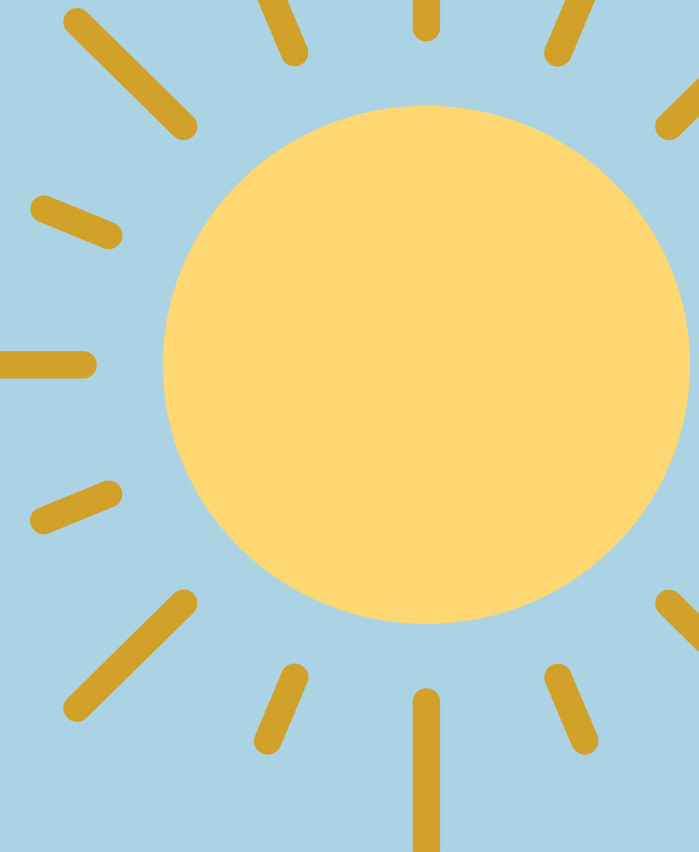

Director-Principal

fun

WEEK

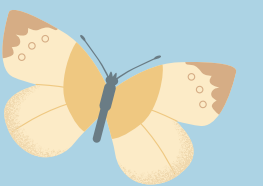

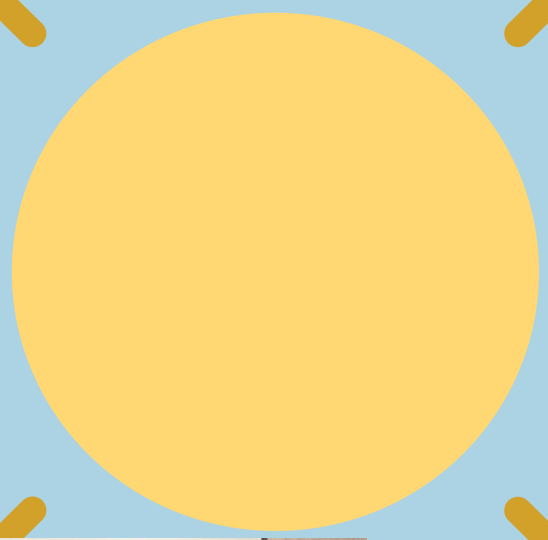

“Every new beginning brings with it the promise of growth, learning, and endless possibilities.” The school joyfully reopened for the academic session 2026–27, welcoming students with warmth and enthusiasm through a series of engaging first-day activities. In English, the “All About Me” activity encouraged students to introduce themselves by sharing their names, birthdays, families, and favorite things, helping build confidence and communication skills. In Mathematics, the “Magic of 2D Shapes” activity allowed students to create pictures using different shapes, blending creativity with conceptual learning in a fun and interactive way. In EVS, students participated in a welcome craft activity where they made bookmarks for their almanac, fostering creativity and a sense of connection with their learning materials. In Hindi, the “Bujho Toh Jaane” activity engaged students in an enjoyable and thoughtful manner, promoting participation and language skills. Overall, the first day was filled with excitement, creativity, and joyful learning experiences, setting a positive and encouraging tone for the new academic year.

WEEK

Happy BAISAKHI

The students of Grade 2 celebrated Baisakhi with great enthusiasm and joy. They learned about the importance of this harvest festival and its cultural significance. As part of the celebration, the children made beautiful and colorful Baisakhi greeting cards using their creativity and artistic skills. The activity helped them understand the traditions of Punjab while enhancing their craft skills. The students enjoyed the celebration and participated actively, making the day memorable and full of learning.

Happy BAISA KH I

II-A ASSEMBLY

INDIAN CULTURE

Class 2A presented a colorful assembly Different Cultures, one India on Baisakhi, Pohela Boishakh, Puthandu, and Tamil New Year. Students greeted everyone in Bengali, Tamil, Malayalam, and Punjabi, sharing festive wishes from their native languages. They performed lively folk dances representing each state and sang a song celebrating new beginnings. The assembly beautifully showcased India's cultural diversity and the joy of harvest festivals.

Nursery Visit

Grade 2 students went on an exciting field trip to a local plant nursery. The visit gave them an opportunity to learn about different types of plants, flowers, and trees. The nursery staff explained how plants grow and the care they need to stay healthy. Students observed various gardening tools and learned about the importance of watering and sunlight for plant growth. They enjoyed exploring the green surroundings and asking questions about nature. The trip was both educational and enjoyable, helping students develop a greater appreciation for plants and the environment. It was a memorable learning experience for all. 🌱🌻🌿

Nursery Visit

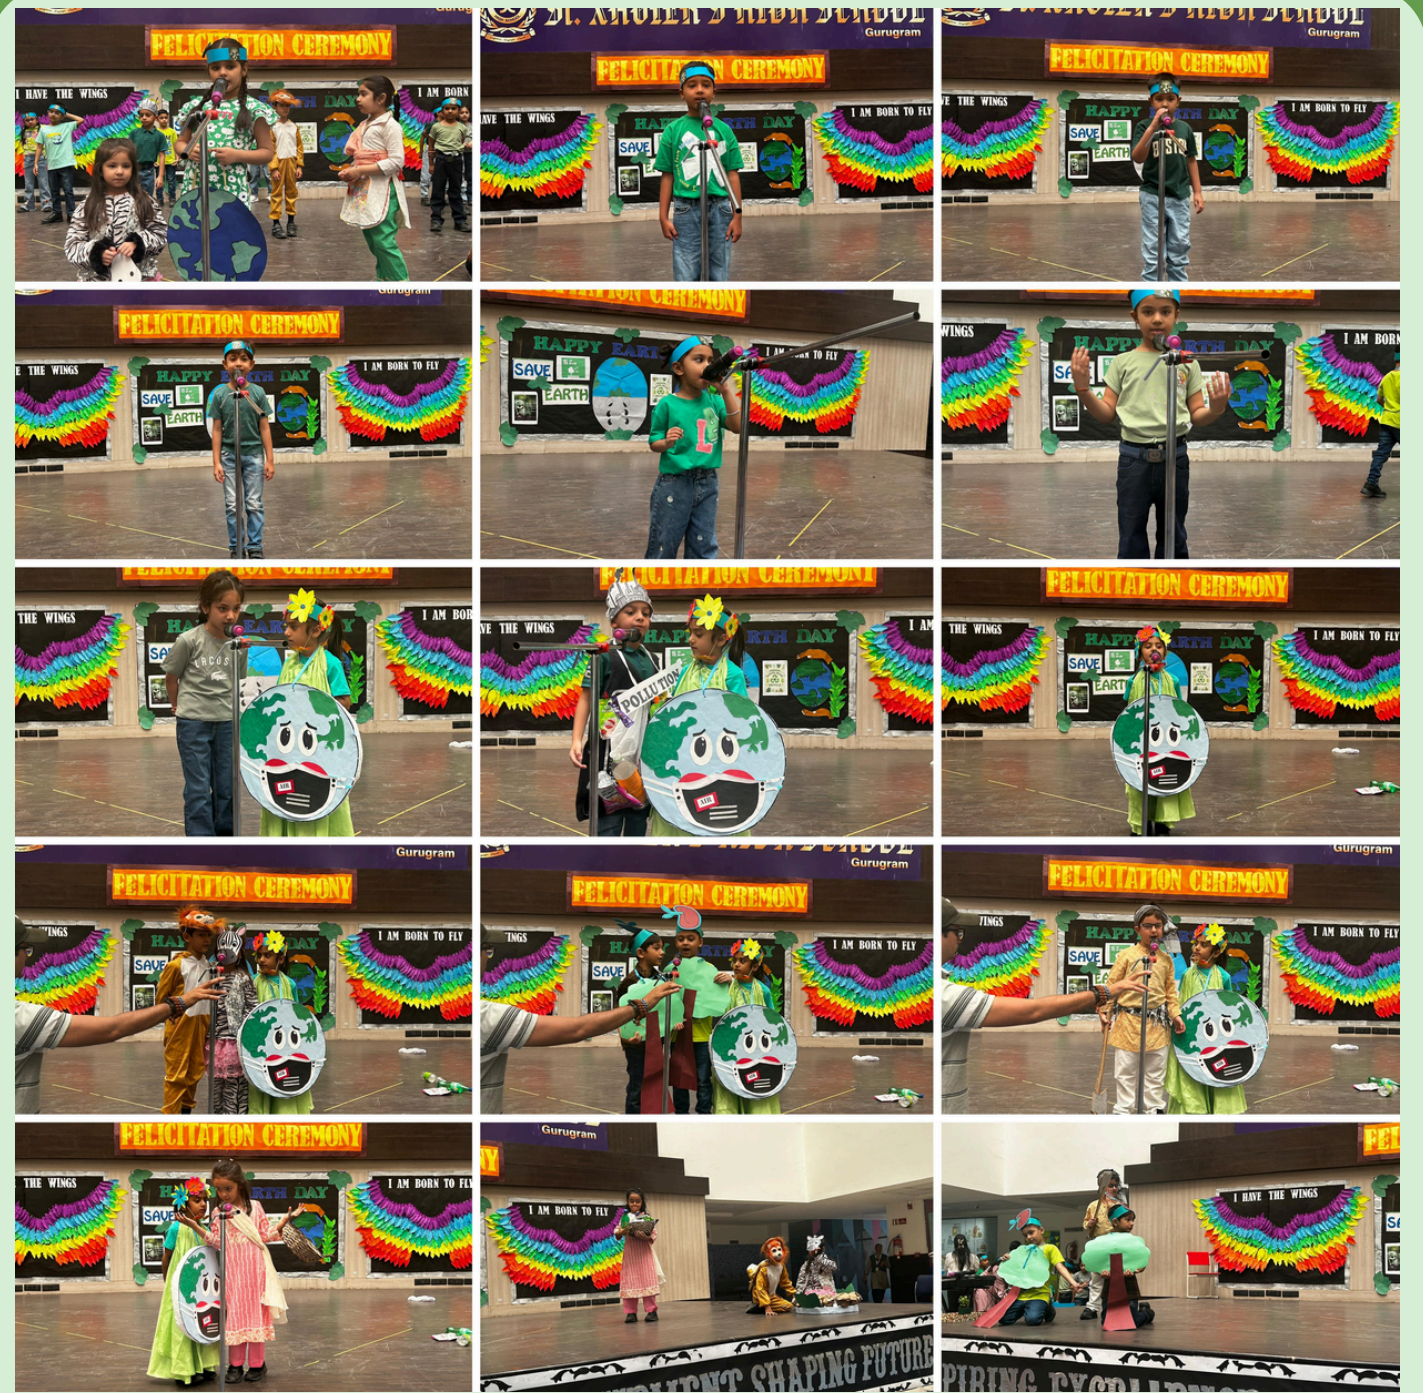

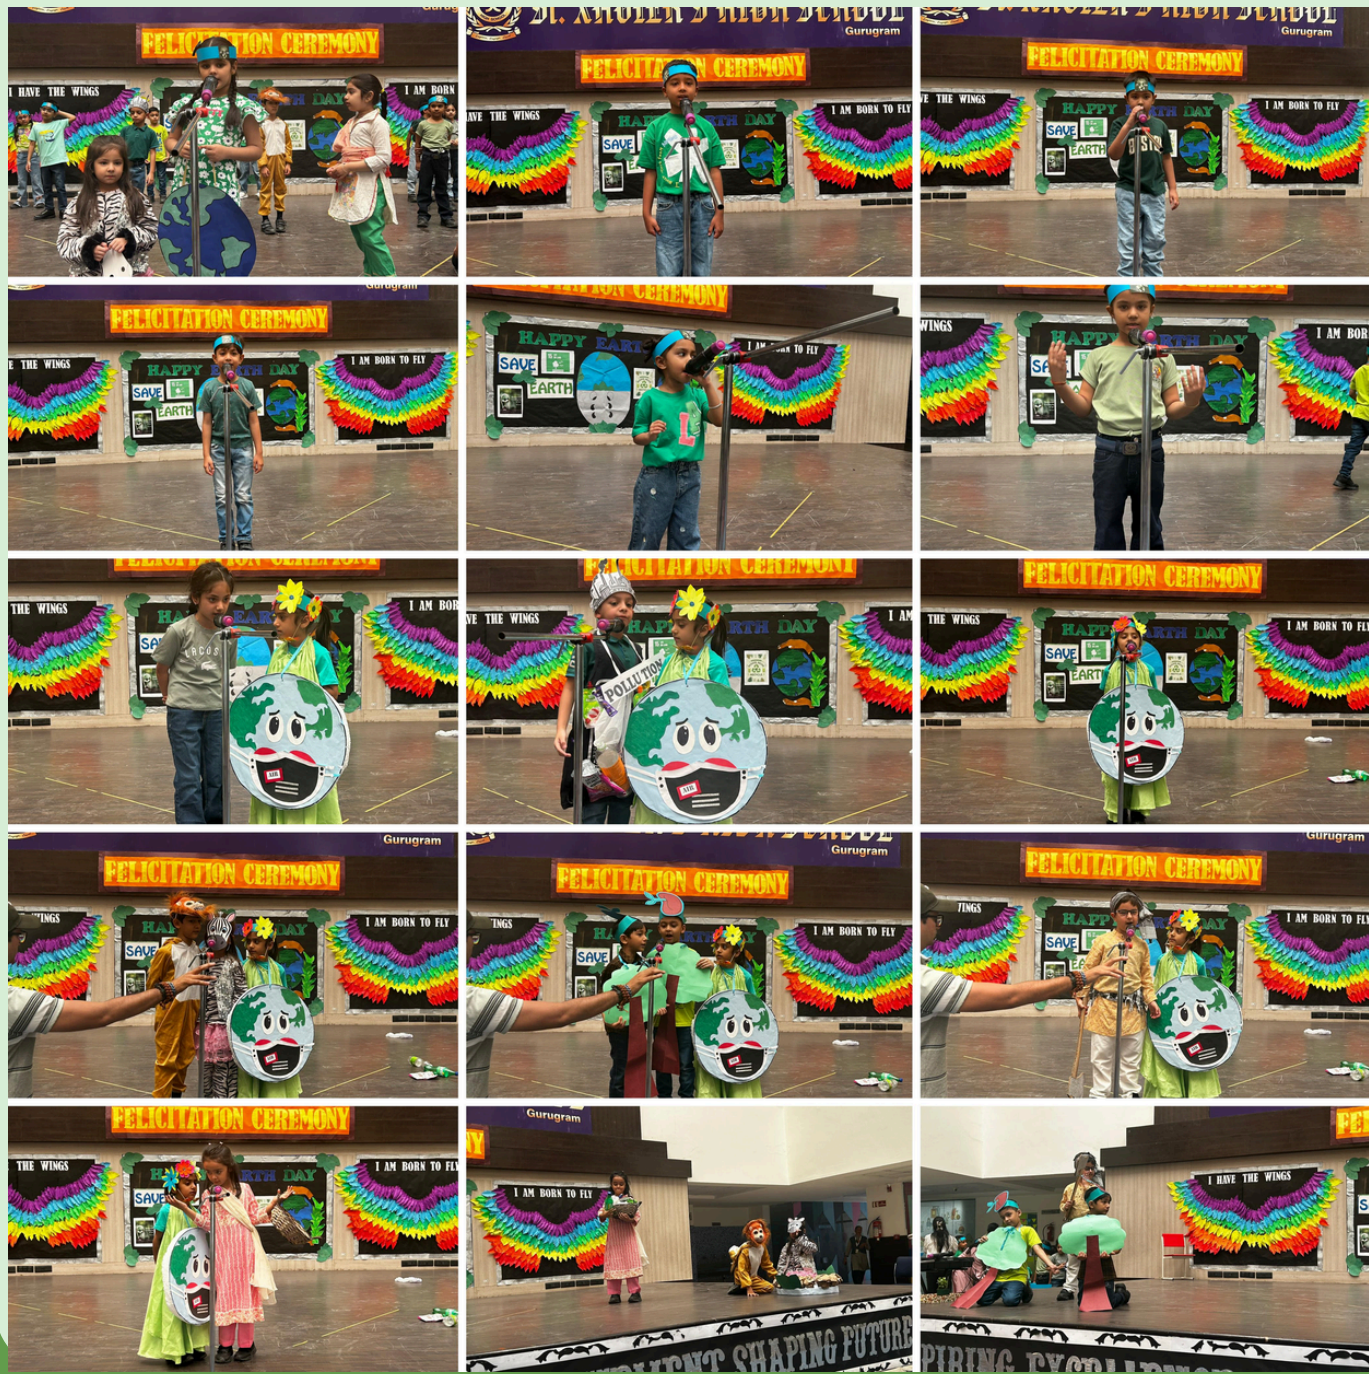

II-B ASSEMBLY EARTH DAY

"Take care of the Earth and the Earth will take care of you."

The Earth Day assembly was conducted by the students of Grade 2B on 27th April 2026 that highlighted the importance of protecting our planet. The young learners confidently shared their thoughts on Earth Day and emphasized Sustainable Development Goals—Life on Land and Clean Water. The assembly began with a Lord's prayer, followed by news headlines, the word of the day and a thoughtful message that inspired everyone. A melodious song added charm to the presentation. The highlight of the assembly was a beautifully enacted skit that compared the clean Earth of the past with the polluted Earth of today, delivering a powerful message about conservation. The students also showcased simple yet impactful solutions like saving water, planting trees, and keeping the surroundings clean. The vibrant dance performance further expressed love and care for Mother Earth.

II-D ASSEMBLY

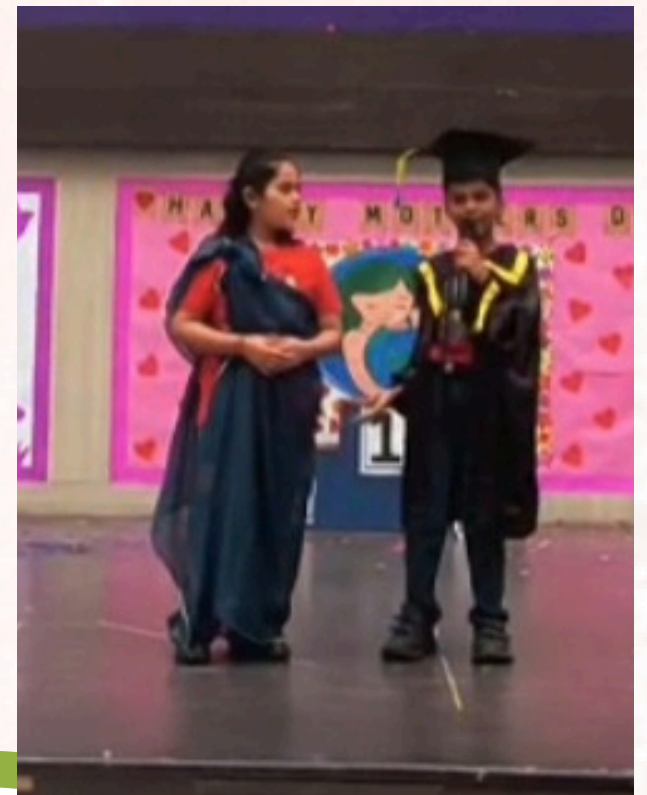

INTERNATIONAL LABOUR DAY

Class 2D conducted a special assembly on the theme “Labour Day – Importance of Skills” on Monday, 4th May. The assembly began with a thoughtful message, “Learning skills today prepares us for a better tomorrow.” A vocabulary segment introduced the word “Skill” to enhance understanding. A touching Hindi poem “Mai Mazdoor Hoon” highlighted the dignity of labour. The students presented an engaging skit on the importance of skills, along with a song “Hold On” and a lively dance performance “Thank You Workers.” Through the assembly, children also learned about the importance of various skills such as digital skills, social skills, communication skills, problem-solving skills, creative skills, teamwork, and time management skills. The assembly concluded with a heartfelt felicitation of the dedicated supporting staff members. Director Principal Ma’am, Ritu Mehta, felicitated them by presenting thank-you cards and expressing gratitude for their dedicated service.

II-E ASSEMBLY

HAPPY Mother's Day

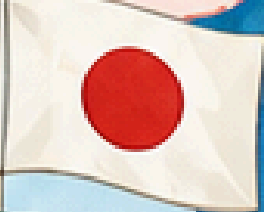

On 11th May, Grade 2E presented a heartwarming special assembly on the theme "Mother's Day." The assembly beautifully highlighted the unconditional love, care, and sacrifices made by mothers through prayers, speeches, songs, and a touching skit depicting different stages of a child's life. The presentation also carried a meaningful message about caring for Mother Earth, connecting motherhood with environmental responsibility and the SDG goal of protecting our planet. The students confidently performed their roles and spread the message of love, gratitude, and responsibility through the initiative "Ek Ped Maa Ke Naam."

The assembly concluded with encouraging and inspiring words by Director Principal Ms. Ritu Mehta, appreciating the efforts of the students and teachers.
