JM International School organised engaging Interhouse activities in the month of May under the theme “Express, Appreciate, Empower.” The Spellathon Competition for Grades III–V was conducted through exciting rounds like picture clues, jumbled words, and pronunciation challenges. Students participated enthusiastically and displayed excellent linguistic abilities. Another meaningful activity, “A Tribute to My Guiding Star,” was organised for Grades VI–VIII on the occasion of Mother’s Day. Students created melodious jingles expressing gratitude and love for mothers. The activities promoted creativity, confidence, teamwork, and effective expression among students.
