Date: 30th July 2026

REGULATED SCHOOL FEES APPROVED BY SCHOOL LEVEL FEE REGULATORY COMMITTEE (SLFRC) FOR THE BLOCK OF THREE YEARS (2026-27, 2027-28 & 2028-29)

Dear Parents,

The School Level Fee Regulatory Committee (SLFRC) was constituted through a draw of lots held on 20.01.2026 in the school premises. The draw was conducted in the presence of the Department of Education (DoE) nominee, parents, and teachers who attended the proceedings. The SLFRC consists of Chairperson, Secretary (Principal), Five (5) parents and Three (3) Teachers. The list of SLFRC members is uploaded on the school website.

Subsequently, the Directorate of Education (DoE), vide Circular No. DOE-A-15/DOE/Fee Reg/2026/4007-4016 dated 30th June 2026, directed all school managements to mandatorily place their proposed fee structure for the forthcoming block of three academic years, commencing from the academic session 2026–27, before the members of the SLFRC for their approval by 31st July 2026. In compliance with the aforesaid directions, the SLFRC convened a meeting on Saturday, 25th July 2026, to deliberate upon and approve the revised fee structure for the ensuing block of three academic years.

The SLFRC considered that since there was no fee increase for 9 consecutive years (2015 to 2023) and only a marginal increase in 2024 & 2025, it resulted in a huge deficit in the school's financial position over the years.

After detailed deliberations, the SLFRC, based on unanimous agreement and consensus of all its members, approved the regulated fee structure in a meeting held on 25th July 2026 for the block of 3 years. The approved regulated fee increase per month for the upcoming block of three years is uploaded on the School website <https://www.bloompublicschool.org/fee-structure.html>. The revised fee structure has been approved with retrospective effect from 1st April 2026. The Fee bills with revised fee structure & arrears will be issued from August 2026.

- Arrears of April to July 2026 will be charged in eight (8) equal instalments i.e. from Aug 2026 to March 2027.
- Regulated approved Fee structure for the upcoming block of 3 years is available on the school website.

Roadmap for the Next Three Years — Brief Overview

The regulated fee structure has been aligned with the school's planned academic, infrastructural and student-wellness initiatives for the next three years, a brief overview of which is given below:

- Revision of faculty salaries for retention of high-performing teachers and recruitment of new experienced teachers.
- Curriculum Initiatives such as Robotics, computational thinking, AI for students.
- Google Edu Plus License, Centralised Enterprise license & Chrome Books for all students.
- Hiring additional teachers for co- curricular activities, technology, counselling, career counselling.
- Construction of 3 additional blocks comprising 15 rooms — including AI Lab, Robotics Lab, Computer Lab, Science Lab, Vocational Skill Lab, Activity Rooms, Multipurpose Hall and 3 classrooms for Balvatika-III.
- Phase-wise air-conditioning of classrooms.
- Installation of lifts.
- New classroom furniture.
- Library upgradation, high-grade sports and musical equipment.
- Strengthened campus security, including additional lady guards.
- Biometric attendance system for students.

For any queries or clarifications, please feel free to reach out to the School Administration.

We thank you for your continued trust and support in the school's mission to provide quality education and a holistic learning environment.

With warm regards,

Principal
