

**ITL PUBLIC SCHOOL**  
**DAILY PLAN CLASS II**

**Day and Date: Monday 03-08-26**

| S. NO | SUBJECT          | ACTIVITY/CONCEPT TOPIC (FLN Activities)                                                                                                                                                                                                                                                                                                        |
|-------|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1     | HOME ROOM PERIOD | <b>NEW WORD OF THE DAY</b><br>Customer -A person who buys goods or services.                                                                                                                                                                                                                                                                   |
|       |                  | <b>AMAZING FACT</b><br>If you hold a 500-rupee note up to the light, a hidden picture of <b>Mahatma Gandhi</b> appears in the white space.                                                                                                                                                                                                     |
|       |                  | <b>STORY OF THE WEEK</b><br><b><u>Value of Money</u></b><br><a href="https://www.youtube.com/watch?v=6s_F290hTeA">https://www.youtube.com/watch?v=6s_F290hTeA</a>                                                                                                                                                                              |
|       |                  | <b><u>Ordinal Number Activity:</u></b><br><br><b><u>Toy Parade</u></b><br>Arrange toys or classroom objects in a row.<br>Example:<br><br>Ask: <ul style="list-style-type: none"><li>• Which toy is <b>3rd</b>?</li><li>• Which toy is <b>8th</b>?</li></ul> |

- Put a star on the **5th** toy.

## **FINANCIAL LITERACY**

### **Friday Budget –**

A plan of how to spend an amount of money over a particular period of time

Children will pick their favourite animal helper and talk about what they do to help the business.\_

### **Meet the Hustlers Team!**

Riley the Raccoon: Bundles items to sell together.

Max the Monkey: Makes customers happy to build trust.

Nova the Fox: Plans the business budget and schedule.

Zara the Zebra: Makes ads and posters to get more customers.

Students will discover different business roles by picking an animal character.

They will learn how different team members work together to help a small business succeed.

|   |              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
