

ANNUAL ECO MEET REPORT 2026

Annual Eco Meet was organized in our school on 28th July 2026 to promote environmental awareness and sustainable living among students. The programme commenced with the lighting of the lamp and a welcome address by the Principal, Ms. Rajni Teckchandani followed by an introduction of the distinguished guest, **Mr. Rakesh Khatri, 'The Nest Man of India'**, by the Headmistress and Eco Club Incharge, Ms. Deepti Sharma.

The **Eco Club for Mission LiFE Newsletter – 'Sanjeevini'** was released, followed by a vibrant dance presentation, **'Ek Ped Maa Ke Naam'**, inspiring everyone to nurture and protect our green cover. The programme also included an introduction to **Mission LiFE** and the **Eco-Club Report**, highlighting the school's environmental initiatives.

The event concluded with a Nature Trail and Bird Watching Activity, under the guidance of Mr. Rakesh Khatri, providing students with an enriching opportunity to explore local biodiversity, develop a deeper appreciation for nature, and strengthen their commitment to environmental conservation.

Students actively participated in planting saplings, symbolising their commitment to nurturing nature and creating a greener future.

The Annual Eco Meet was an enriching experience that inspired students to embrace sustainable lifestyles and become responsible environmental stewards.
