

Dokra Art Workshop

DATE: 29th July 2026, Wednesday.

EVENT: Dokra Art Workshop

TIMINGS: 8.30 am - 10:30 am

CLASS: XI & XII

FACILITATOR Ms. Shweta Jain, Expert from NIE,

The workshop introduced students to the traditional Indian tribal metal craft of Dokra and its rich cultural heritage. Under the expert guidance of Ms. Shweta Jain, students learned about the rich heritage and traditional techniques of Dokra art. Dokra is a 4,000-year-old tribal metal craft based on the ancient lost-wax casting technique of the Indus Valley Civilization.

The hands-on session enabled students to create Dokra-inspired artworks using Mouldit clay, enhancing their creativity, observation skills, and artistic expression. Students enthusiastically participated in the workshop and showed great interest in this unique tribal art form. The workshop provided an enriching learning experience that encouraged students to appreciate and preserve India's rich artistic and cultural heritage. The session was highly interactive, informative, and inspiring for all participants.
