"Behind every healthy smile is a doctor who never gave up."

ITL Public School proudly observes National Doctors' Day on 1st July 2026, embracing the inspiring theme, "Behind the Mask: Who Heals the Healers?" This theme reminds us that while doctors dedicate their lives to healing others with compassion, courage, and expertise, they also face emotional, mental, and physical challenges. Their unwavering commitment and selfless service deserve our deepest respect, gratitude, and support.

On this special day, ITL Public School salutes every doctor who works tirelessly behind the mask, bringing hope, healing, and comfort to countless lives.
